The Secretary to Government

Sir,

I most respectfully wish to bring the following to your notice, and request that you will be so good as to cause the amount that has been wrongfully claimed from me to be returned in full.

On or about the 14th Dec: last my son left the Lawrence Asylum school for his Christmas holidays and on his arrival here I found him in a most wretched and filthy state, his head being one mass of dirty pores like scurvy. He had no hat, a coat with one button on it, and a shirt with one collar button only, which gave him a most unsightly appearance. Besides this he had a stone cut on his head which he said had been done in the school by

one of the boys which does not speak very well for the discipline of this institute

I had to purchase the articles enumerated in the enclosed bill, so as to make him fit to appear in a public place, besides which I had to feed and board him.

On the 18th January I was called upon to pay Rs 24/- for his Board in the School for half a month in Dec: Rs 9/- and a full month in January Rs 15/- during which time he was with me - As the boy received no support whatever from the institute since about the 14th Dec: I think the claim has been a most iniquitous one and a gross mis-
-position on the part of the Principal Secretary who had the goodness to instruct a pleader to demand the above mentioned sum from me. Had the boy returned at the end of his holiday I would have willingly paid the money; but owing to the filthy state that he returned home in I resolved not to let him go back to the institute & the Principal Secretary was informed of my resolution before the expiration of the Christmas vacation, he therefore had no more right to make the claim on me for Dec: and January fees than he has

one of the boys which has not spent any well for the
 discipline of this institute
 I had to purchase the article mentioned in the
 enclosure but as to make him fit to appear in
 a public place, besides which I had to pay for
 board there
 On the 18th January I was called upon to pay Rs 10/-
 for his board and the school for half a month in
 the last of January in January 1891
 during which time he was with me. As the boy
 received no support whatever from the institute
 since about the 1st Dec. I think the amount has
 been a most insignificant one and a good one
 position on the part of the Principal thereby
 has the goodness to restrict a person to whom
 the school mentioned from me. Now the boy
 returned at the end of his holiday I would have
 willingly paid the money, but owing to the fifth
 state that he returned home in 1891 and not to
 let him go back to the institute & the
 Principal thereby was not prepared to receive
 before the expiration of the Christmas vacation
 he therefore has no more right to make the claim
 on me for board and schooling fees than he has

for February and March

No father who loves his children & likes to see them
 respectable could allow them to return to this
 institute once he saw them in the state my
 son was in, and I fail to find words to
 express my sorrow for ever sending him there.

His progress in education was practically nil
 considering he was away about two years; but his
 progress in the use of profane language was
 most wonderful, in fact, he excelled in this subject,
 and I am confident that I could lay odds on
 him against any troops that I ever met during
 the 21 years I served in the army.

I know one boy in this institute for whom nothing
 is paid & he has both father and mother alive. I
 know of two other boys whose father pays Rs 25/- per
 mensem for them when he should pay Rs 33/- and,
 as these boys have been in the school over 3
 years there has been a loss of quite Rs 300/-

It would no doubt be more beneficial to the
 institute if the authorities turned their attention
 to these than it is to extracting money from a
 man that has paid the higher rate of fees
 regularly and willingly

regularly and meticulously
examined that has found the higher rate of fees
in these than it is in striking manner from a
visit of the authorities turned their attention
It would be doubt to more beneficial to the
years there has been a loss of quite \$200.
as these hop have been in the school for 3
minimum for them when he charges pay \$2.50-
know of his other hop where father pays \$2.50-
is paid & he has both father and mother class. I
I know one hop in this vicinity for nothing
the 21 years I served in the army.

As this is a Government Institute, and as I know of no other person to appeal to, I trust you will see your way to cause the amount claimed by the Principal to be refunded to me. If you cannot do so I shall be obliged by your letting me know so that I may take other action.

I am, Sir,
most respectfully

A. Geo. Clay

Sir,

By direction of the Committee of the Ootacamund Lawrence Asylum, I have the honour to inform you that at the meetings of the Committee on the 13th July, the 10th August, and again on the 14th instant, Mr. Clay's letter to the Secretary to Government, Military Department, with explanations from the Principal, the Medical Officer, and others was most carefully considered, and it was finally resolved that the fees collected for January 1900 (Rs.18) should be refunded to him, but that no refund will be made of the fee collected for December 1899.

2. The Committee further place on record that there is absolutely no foundation for any of the charges Mr. Clay has brought against the Asylum.

3. The correspondence is herewith returned.

I have the honour to be,

I don't think the Committee will

one but the man might have had
a legal claim and some points were
raised besides which made it desir-

NOTE FOR THE ASSISTANT SECRETARY.

LM

One Mr. Clay had a son in the Lawrence Asylum, Lonsdale, who on going home during the Christmas vacation of 1899 was stopped by his father. The Principal of the asylum demanded fees from the father on account of the son up to the end of January 1900. The father paid them under protest and asked for a refund of Rs 27, being the fee from the middle of December to the end of January.

2. The committee now report that ^{they have resolved to refund} the fee for January viz. Rs 18 ~~has been refunded~~ but that no refund will be allowed for December.

3. Mr. Clay also made certain complaints against the management of the asylum. The Committee say that there is no foundation for any of these.

4. Under the circumstances Govt. may perhaps consider it unnecessary to reply to Mr. Clay's letter. The amount which the Committee have resolved to refund will no doubt be sent to him in the usual course. The letter read above was

It seems unnecessary to do
any thing more - if Mr. Clay
writes again the matter might
be taken up if necessary. But
meanwhile it is provided that
'the Committee's' report may be
accepted. The boy may have
been a bad subject from his
first and his condition not
a result of his training but in
spite of it.
