Letter from A. J. O'Connell Engineer, Executive Engineer,
Tanjore Division to the Superintending Engineer,
T. bulch, N.º 6134, dated 24 September 1900

I have the honour to forward herewith an application on behalf of A. Palaniandy Pillai, Superintendent Munny Head, for exemption from the Examination rules. The place of Superintendent on Rs 17-8-0 per mensem has fallen vacant from the 21st May 1900, and I propose to appoint him permanently to it. His present pay is Rs 15/- per mensem. The Superintendent has served for about 27 years, and has been doing his work well. He surveys correctly, levels accurately, draws neatly, and estimates well and possesses qualifications superior to many of the Superintendents drawing higher pay in this Division.

2. I am personally pleased with his work, and I strongly recommend him for exemption and request that you be pleased to submit his case to Government with your strong support.

3. In case of the Lower Ancient or Upper Ancient posts (the pay of which is Rs 50/-) becoming vacant, I would rather entrust this man to carry out the duties than

Any other at present working under me. I therefore
request he may be given a general exemption.
