Copy of letter N^o 535 S.E. dated 28th August 1900 from the Executive Engineer, South West Division to the Superintending Engineer, Bangalore.

In forwarding herewith letter N^o 10th dated 9th January 1900 from the Sub Divisional Officer, Bangalore, regarding the promotion of clerk N. Chellammiah, I have the honour to state that an application for exemption from Examination rules was made in this office N^o 567 S.E. which was refused by Government in G.O. N^o 2811-W dated 30th September 1896 on the ground that sufficient reason had not been shown.

2. In addition to the favourable reports already submitted with the above application, I would submit that he has been employed on the duties of a Sub Dⁿ Clerk for a further period of 4 years and has continued to give entire satisfaction in his duties. He is now aged 45 years and cannot in fairness be now required to pass the Upper Secondary Examination. He has put in 20 years service under Government with almost the whole of it in his present grade and although Government may not be inclined to accord sanction to a general exemption from Examination rules as solicited in the

I think there must be men in a similar position in several Revenue offices who accept their lot without murmuring - if length of service & more good conduct is held to give a claim for exemption from the exam. rules, I am afraid there will be many men who will be able to put the claim forward -
