The J. of I. wish the rule inserted, & there is no objection. The addition does not relate to a "purpose" for which the J. B. Committee has been appointed, & I think we had better keep it a separate rule, placed between rules 17 & 18, or else at the end, as rule 19.

This submitted to rule may come in as Rule 19. but as far as I am aware we have no "Code of Regulation for European Schools" and it seems well to alter the phrase - The D.P. is requested to give his opinion.

classified as European schools by the

There is no code of regulations for
European schools. The term
European schools is nowhere
defined in the codes: it has been
the practice to treat as European
schools all schools in which
the majority of the pupils are
Europeans as defined in Ch.I. Art 2
of the Gt-in-Aid Code. The
rule may come in as rule 19
of the form of words suggested
by the Secretary may be adopted

This submitted the above
suggestion may be adopted.

Apparently the rule is required
in other provinces & India supposes
it is wanted here. As far as I can
see it is a superfluity.
