OFFICE OF THE DIRECTOR OF
PUBLIC INSTRUCTION,
Madras, 17 September 1900.

From

THE HON'BLE MR. G. H. STUART, M.A., Barrister-at-Law,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE SECRETARY TO GOVERNMENT,

Educational DEPARTMENT,

(Thro' the Accountant-General) Fort St. George.

SIR,

I have the honour to request that you will be so good as to obtain the sanction of Government for increasing the pay of the nightwatchman attached to the Training College, Rajahmundry, from Rs.2 to Rs.5 per mensem, and for the employment in the same institution of a Water-Brahman on Rs.5, as well as of two sweepers on Rs.3 each and a full-time scavenger on Rs.3½ per mensem instead of one sweeper and a part-time scavenger on Rs.2 each. The necessity for the increased charges has been fully explained in the Principal's letter submitted with this office letter No 9452, dated 22nd August 1899, read in G.O. No 571, Educational, dated 31st August 1899, and provision for the same has been made in the current year's budget, under "establishment" in the case of the nightwatchman and under "Contingencies" in the case of the others. A proposition statement, with details for the sweeper accordingly omitted, is submitted in duplicate.

I have the honour to be,

Sir,

Your most obedient servant,

G. H. Stuart

Director of Public Instruction.

The entries in the column of "Present scale" have been compared with the Registers of this office and are correct.

The proposals of the Director of Public Instruction for increasing the pay of the night watchman is within the sanctioning powers of the Local Government. The other proposals which have not been included in the Proposition statement do not require the sanction of Government as the Establishments are not permanent and whole time servants and as such their wages are to be met from Contingencies. From the explanatory remarks on pages 17 + 19 of the appendix to G. O. N^o 1369 Sub dated 16th December 1899, it would appear that the necessary provision has been made on account of the increase to the pay of the night watchman and for the wages of the sweepers and water Brahmin. But no provision exists on account of a scavenger on Rs 3½. under establishment. If it is provided for under Contingencies the Director of Public Instruction may be asked to point out the item in which it is included.
