OFFICE OF THE DIRECTOR OF
PUBLIC INSTRUCTION,
Madras, 12 November 1900.

From

THE HON'BLE MR. G. H. STUART, M.A., *Barrister-at-Law*,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE SECRETARY TO GOVERNMENT,

Educational DEPARTMENT,

Fort St. George.

SIR,

With reference to G.O.No 495, Educational, dated 8th October 1900, I have the honour to invite the attention of Government to the subjoined extracts from a letter from the Superintendent, Reformatory School, Chingleput, on the subject of the separation of the senior and junior divisions:-

"2. It is not possible to separate the junior boys from the senior ones during the general education and industrial hours without a large amount of extra expenditure for a separate staff of masters and instructors. During these hours the boys are kept busily engaged under the immediate surveillance of a master or instructor; and the necessity for separating them is not so much felt then as in the recreation hours during mid-day, in the evening and on Sundays and holidays.

3. The scheme for additions and alterations as sanctioned by Government, provides for two play grounds-one for the senior division and the other for the junior division, one well separated from the other-but as all works have been stopped, there is no immediate prospect of getting these two separate play grounds. I propose that as a

temporary measure the present play ground be divided into two. A rough stone wall about 33 feet long will secure

When the additional cubicles are constructed, it will be possible to separate completely the two divisions during sleeping hours also.

I have the honour to be,

Sir,

Your most obedient servant,

G. H. Stuart

Director of Public Instruction.
