GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper:—

From H. R. C. DOBBS, Esq., Secretary to the Chief Commissioner of Coorg, to the Secretary to the Government of Madras, Educational Department, dated Bangalore, 24th November 1900, No. 2569.

I am directed to acknowledge, with thanks, the receipt of your letter, No. 447, dated the 10th September 1900, regarding the text-book committee rules as finally adopted for the Madras Presidency.

2. I am now to forward, for the information of the Government of Madras, a copy of the rules on the same subject, sanctioned for Coorg by the Government of India.

ENCLOSURE.

Rules for the Text-Book Committee for Coorg.

The text-book committee for Coorg shall be the text-book committee appointed by the Government of Madras for the presidency of Fort St. George.

2. The functions of the text-book committee in respect to Coorg shall be limited to advising the Chief Commissioner regarding the selection of books for use in the schools in Coorg. The committee will have no concern with the text-books of schools under the Code of Regulations for European schools, unless they are specially referred to the committee for opinion by the Chief Commissioner.

3. Text-books shall be divided into two classes as follows:—

- (1) Text-books, the use of which is authorised by the Chief Commissioner.
- (2) Text-books, the use of which is specifically prescribed by the Governor-General in Council or by the Chief Commissioner.

4. In the case of schools maintained by Government or by local boards the text-books for each course shall be specifically prescribed.

5. In the case of schools receiving grants-in-aid, whether from Government or from any local board, text-books shall not ordinarily be specifically prescribed; but the managers of aided schools shall, as a condition of receiving grants-in-aid, be required not to use any text-book which has not been authorised by the Chief Commissioner. The Governor-General in Council and the Chief Commissioner, however, retain the right to require that any book specifically prescribed by them shall be used in aided schools.

6. If the manager of an aided school wishes to adopt a text-book which is not included in the authorised list, the Chief Commissioner will give every facility to have the book referred to the text-book committee with a view to its inclusion under the orders of the Chief Commissioner in the list of authorised text-books, should it be found a suitable work.

7. If in any unaided school text-books are in use which have been disapproved by Government, no pupil who has received instruction at such school shall be permitted to appear as a candidate at any public examination for passing which a certificate is given, or to compete for a Government scholarship.

8. A list of all unaided schools in Coorg shall be maintained by the Inspector of schools, who shall inform the managers of all such schools that pupils receiving instruction under them will not be permitted to appear at any public examination or to compete for any Government scholarships, unless a list of the books used at such schools is submitted to him on the 1st April in each year for the information of the Chief Commissioner.

9. Two lists of text-books shall be published in the first issue of the *Coorg Gazette* for April in every year. The first list shall be of text-books which the Governor-General in Council or the Chief Commissioner has prescribed under rule 3 of these rules to be used under the several subjects and standards in schools maintained by Government and local boards. The second list shall be of text-books, the use of which has been authorised by the Chief Commissioner for use in aided schools and of the books (if any) specifically prescribed for use in aided schools by the Governor-General in Council or the Chief Commissioner. A third list of books which have been specifically disapproved by the Chief Commissioner shall be maintained in the office of the Director of Public Instruction and of the Chief Commissioner, but shall not be published in the *Coorg Gazette*.

10. The Director of Public Instruction shall, in his annual reports, describe the manner in which these rules have been carried out in practice during the preceding year.
