FROM

1304 Dated 17 September 1900.

CURRENT NO.

Muhammad Rasakhan Esquire
COLLECTOR OF KURNOOL,

To

THE SECRETARY TO

Government

Educational Department,
MADRAS.

SIR,

I have the honour to state that there are at present twenty eight permanent vacancies in the grade of clerks on Rs. 15 in the Huzars and Taluk Offices in this District and that no passed candidates have been available for filling them up. Advertisements were published in the Fort Saint George Gazette by me and by my Divisional Officers from time to time but applications from passed men have rarely been received. For the vacancies in the Huzars I received a few applications from passed candidates in the Southern Districts but

I actually offered them permanent appointments they refused to accept them. The High Schools at Kurnool and Nandyal turn out only a few matriculates every year and some of them go to Colleges to prosecute their further studies. Thus passed men available locally are very few. Those in other Districts are not willing to take up appointments of the lowest grade in this District on account of (a) the notoriety which it enjoys as being malarial and (b) the out of the way situation of the District which is far away from places where passed men are easily available. Consequently my Divisional Officers and I have been obliged to entertain unpassed men and make them act in the appointments for considerable periods, temporary exemptions being sanctioned in their cases by me or by the Board as the case may be. Two of my Divisional Officers have reported that

after

after working for some time these unpassed men become indifferent to their work seeing that there are no chances of their confirmation. The appointments held by them, and that nevertheless they are retained in the appointments (want of better men to replace them. I agree in their views and also consider that until they are confirmed they cannot be made to feel the responsibilities imposed on them and the consequences of negligence on their part in the discharge of their duties. Individuals Nos 1 to 20 mentioned in the enclosed list have been holding acting appointments for considerable periods in the Revenue Department in this District. Of them Nos 1 to 5 are employed in the Correspondence Branch of my office and have been found to do good work. Nos 6 to 9 are working in the Accounts Branch under the supervision of my Treasury Deputy Collector who has given a good account of them (Exhibits A and B)

95

I consider that these nine individuals are fit to be confirmed as clerks on Rs. 15. Individuals No. 10 to 12 are recommended by the Head Assistant Collector (Exhibits B and B₁), Nos. 13 to 17 by the Deputy Collector of Kypalli Division (Exhibit C) and No. 18 by the Head Quarter Deputy Collector (Exhibit D) as fit to be confirmed in clerks' appointments on Rs. 15. I support their recommendations. Further particulars about Nos. 1 to 20 will be found in the Remarks columns of the enclosed list.

About individuals No. 10 and 18 I have to mention that their cases were already brought to the notice of Government for H.O.I. exemption as noted in the Remarks column of the appended statement against their names, but exemption was not sanctioned for the reason that their applications were not supported by the Collector and have hitherto been generally averse to recommending men for exemption from Examination rules, but as there is very little chance of

of procuring passed men and as it is inadvisable to keep the unpassed men long as acting clerks for reasons stated above, I am obliged to make these recommendations.

3. Individual No. 21, K. Nazar Khan, is a Mahomedan belonging to a very respectable family of Kurnool and is considered by the Tahsildar of Ramallanota to be capable of discharging a Taluk clerk's duties (Exhibit E). He knows English tolerably well. If the Government be pleased to exempt him from Examination Rules I wish to appoint him permanently as a clerk on Rs. 15. in a Taluk Cutcherry with a view to encourage respectable Mahomedan families of this place to give English Education to their children.

4. I therefore, request that individuals Nos. 1 to 21 may be exempted from the operation of the Examination Rules so as to make them eligible for being permanently appointed to clerks' places on Rs. 15.

in this District.

5. Individuals No. 22 in the enclosed list in Narasinga Rao, was already exempted from passing the necessary examination for being appointed to a post of Rs. 15 in this District (Please see G.O. No. 657 dated 14th October 1898). *fl G*

On receipt of the said G.O. he was confirmed as a clerk on Rs. 15 in a Taluk Office and has since been transferred to the Head Quarters Deputy Collector's Office. Two Deputy Collectors, Messrs C. Seshadri Rao Pantulu Jann and M. R. P. Sita Rao Pantulu Jann, have spoken well of him as being a useful clerk and the latter Office has addressed me a letter (Exhibit F) requesting that this clerk may be recommended for further exemption in order that promotion may be given to him up to the grade of head clerk in a Taluk Office (Pay Rs. 30). There are now in the Taluk Offices a greater no. of appointments on pay higher than Rs. 15 than before and when such appointments temporarily fall vacant.

Vacant difficulty is at times felt by the Divisional Officers in filling up such vacancies for want of passed men in the grade of Rs. 15. As two Deputy Collectors consider that this clerk is deserving of promotion I request that the Government may be pleased to sanction in his case further exemption so that he may be promoted to post the salary of which exceeds Rs. 15 but does not exceed Rs. 20.

I have the honor to be,

Sir,

Your Most Obedient Servant

for Collector

No. 2. He has been in the former room since I came and keeps the forms in a very fair condition. I took Mr. Campbell into the former room when he first came here from Nellore. He looked at the way the forms were kept and even went to the length of examining the contents of some of the bundles indicating them with the entries in the Register and said that the order maintained here is very much superior to that in which it is kept in Nellore where the Madras the author of Mr. Martin's disposal system "rules" prevailed for years. He said it was a pleasure to look at the way the forms are kept here. Though a good share of the credit

credit goes to the Press Superintendent who is in charge of it. Abdul Ahmed deserves credit as a machine worker of the former room. He will be a possible hand in English and attends to ordinary routine correspondence.

No. 3. S. Latchumayya. This man possesses a knowledge of English sufficient for all clerical and he understands the work of the Local and Special Audit branches so well that he keeps some of the Registers of Audit himself and is able to cope with the work in the office independently whenever the Charge Audit Clerk goes out to the Camp. I do not want to advance the claims of the Indian in preference to passed candidates

these men though unpassed can do the work as sufficiently if not more as passed men. I feel I am bound to advocate their cause.

He thoroughly understands the various branches of work in a Taluk office. In the course of my stay in this Taluk I have found the applicant very useful. ENCLOSURES.

FROM A. Z. L. Campfield Esq. D.S.
HEAD ASSISTANT COLLECTOR OF
NANDYAL,

To THE Collector of Nandyal

SIR,
I have the honor to request that
under the circumstances set forth below
you will be so good as to move Govern-
ment to exempt the marginally noted
individuals from the operation of the
examination rules to enable them to hold
a permanent appointment on Rs 15 in the
Revenue Department.

Ever since I took charge of
the division in March 1899 there has
always been some persons

x 1. b. Ramayya. Naish
2. A. S. Dandegabettu. Dandegabettu.

in the Division to fill which I could not find qualified men. I have had notifications, ~~unpublished~~ qualified applicants, published in the Fort St George Gazette on those occasions and I understand that even before I joined the Division such notifications used to be published periodically but without much effect. Even at the present moment, there are as many as 7 permanent vacancies, 4 of which are vacancies who have not passed the Handwriting Test are acting, while the others are filled by untrained men who know a little English. I also understand that such permanent vacancies have existed for some time.

that the inhabitants

inhabitants of the ceded District are very backward in point of education and the supply of passed candidates for employment in government offices as clerks & gunners is hardly sufficient to meet the demand. As a necessary consequence passed candidates have to be imported from other Districts, but the long standing notoriety of this District and particularly of Chavayal on account of material fees deter passed men from other Districts from coming here on such low salaries as Rs 15 & 20. This state of things may be improved gradually if it becomes more difficult for educated persons to obtain their livelihood by suitable means in the more thickly populated District.

These education is advancing by rapid strides but the fact that no qualified persons apply for the posts notified as vacant is evidence that the time when educated men from other parts of the Presidency are compelled by circumstances to accept appointments in the district on low pay is not arrived yet. I have also to point out that deserving but unpassed men when found can be appointed only to act in permanent posts and have to be exempted from time to time so that they are left acting indefinitely; Such persons naturally lose their interest in work from the knowledge that they could never hope to be appointed to them permanently. At the same time there are no better men

men available to replace them. On this account, it appears most advisable to get a few deserving persons exempted now and then.

3. As regards the first individual B. Ramajulu Naidu, I have to state that he was appointed permanent attender in this office in June 1893. Since the year 1894, he has been continually acting as clerk both in this and in the Chaugab taluk offices. I need say nothing more about his eligibility to serve as a taluk clerk on Rs 15. I request you to peruse the enclosed copies of the endorsements made about him by late tahildar of Chaugab M. R. Ry. S. Vijaya Raghavachari on 7.11.95 and by Mr. Ghose on 27.2.96 and a certificate granted to him by

S. Kanne Dya, Deputy Collector who was
 for some time in charge of the division.
 His first application for exemption
 was returned by Government in 1898
 as the then collector gave no reasons
 for exemption - vide your Memo No. 213
 dated 19.1.1898 and another application
 submitted in 1899 ^{was} not forwarded to
 Government but was disposed of in
 your Memo No. 1044 dated 30.4.99. This
 man has also worked under me and
 did good work. In consideration
 of his merits I have appointed him
 back as my Local Fund Head Clerk
 on Rs 20 per month but he prefers
 holding a permanent appointment
 from Government.

The second individual

A. Kanne Chapathy, Moodalia, was
 as acting copyist in the Dolk in the Tahsil
 office in 1898 and then was appointed
 to act as clerk in that office. I found
 him a useful clerk and in recognition
 of the fact appointed him permanent
 Clerk of that office in August 1899
 and took him to serve in my office.
 For some time he acted as attendant of
 this office though really doing a clerk's
 work and since October 1899 he has
 been acting as the fifth clerk of my
 office. He is turning out good work
 and making himself useful and I
 feel sure that he will make a good
 Tahsil clerk.

5. The individuals are ages
 26 & 23 respectively; they are

also he was unable to pursue his
studies further on account of poverty. I
am directing that the fair copy of this
letter should be written by him in order

deserve your support.

As far as I know the clerk's

difficult to procure named

that in this instance Government
may be asked to exempt the
petitioner permanently as far as
posts in Rs 15 are concerned.

To,

The Collector of Kurnool

Sir,

Adverting to your Proceedings Dis. No. $\frac{2490}{16}$
of 1899 dated 12 October 1899, I have the honor
to submit a statement showing the names of
unpaid men who have been acting as clerks in
my Division for more or less long periods, and
who, in my opinion, deserve to be exempted
from the operation of the Examination Rules,
for the purpose of being appointed permanent
as clerks on Rs 19. The Confirmation of the
Clerks is, in my humble opinion, necessary
both in fairness to them and in the inter

of the public Service. It is well known that passed candidates are, as a rule, not available for clerkships on Rs 15/- in the one of the most backward Districts of the Presidency, and the result is therefore that these appointments, at any rate, in Divisional and Taluk offices, are being filled by unpassed candidates, and we are obliged to resort to the expedient of applying for temporary exemptions for 3 or 6 months as the case may be, at a time and to go on applying for renewed Sanctions ad infinitum. I say that this is unfair to the men concerned, because their tenure is precarious, and they are deprived of the privileges and advantages attached to permanent Service under Government. Their exemption is necessary, of course, if they prove themselves fit in the interests of Government, as, otherwise, they become listless and indifferent, and naturally

seek employment in other departments of Government where the exclusion of unpassed men is not so rigidly observed as in the Land Revenue. I need hardly say that a permanent appointment by reason of the greater loss which a dismissal or lesser punishment would entail as a consequence of misbehaviour will prove a greater incentive to careful, hard and honest work than a temporary one, however it may be extended from time to time. For these reasons, I hope and trust that my recommendations will meet with approval.

2. In view of the Special Difficulties experienced in this and similar Districts in filling up vacancies in the lowest grades of clerical appointment, I think that we should be allowed to submit periodical recommendations, say once every year for

ment exemption from the Examination rules of persons who, have, as temporary clerks, proved their fitness for confirmation.

3. At present, the following posts are permanently vacant in my Division and have remained so for more or less long periods.

One ~~SA~~ Clerk ^{SA} in Peapatti Deputy Tahsildar's office.

Two clerks in the Pattikonda Taluk office.

One Clerk in Kurnool Town Dy Tahsildar's office.

Three clerks in Ramallakota Taluk office.

I have received the enclosed⁷⁰ post card from the Tahsildar of Kelahasti stating that I would be given a post on Rs 20 and that if I give satisfaction in that capacity I would be promoted to a place of Rs 25. But at the same time a query is put to me therein as to whether I would resign my present clerkship in your office or take leave, and from this I infer that my service in the estate under the Court of Wards would not count towards pension. While on the one hand I am willing to go there on promotion, the idea of losing pensionable service under the Government makes me ^{on the other} from taking

therefore to bring⁷¹ to your kind notice the following circumstances regarding myself and request that you will be pleased to consider them favourably and render me help which I shall remember throughout my life. I belong to a respectable family in the Vellore District and received education up to the standard of the Matriculation class. I passed the late Middle school Examination in the IInd class and appeared once for the Matriculation Examination in which I unfortunately failed. Adverse circumstances then compelled me to give up my studies and seek an employment. I therefore secured a footing in a zamindari and some

I took up an acting clerk's post⁷²
in the Mellore & Asst Collector's office,
and then in the Narasimhapett Dist.
Munsiff's Court. Finally I took up
an acting Gumastah's place in the
Cumbum Taluq 3 years ago and
after serving there for one year I
was exempted by the Government
on the kind recommendation
of the present Collector Mr. Mohammed
Razakhan Sahib Bahadur from
from the operation of the Examination
rules for being confirmed in the
Taluq Gumastah's place. The
Exemption was however restricted
to an appointment carrying
a salary of Rs 15 in this District.
I worked as a permanent Taluq
Gumastah in the Markapur Division
till November last when I was
transferred to this office. Since

owing to the Exemption granted
in my case being limited as
stated above. I have a large
family to maintain and my
present pay (viz 15 Rs) is utterly
inadequate. I am anxious to
remain in Government Service and
work harder and win the good
will of my superiors. I am able
to do the duties of any ministerial
officer in a Division or Taluq office.

In these circumstances I humbly
request that you will be pleased
to get the exemption already
granted in my case extended
so as to make me eligible
for promotion to appointments

The applicant is an intelligent,

satisfactorily. I have not been able
to give him any promotion, though
he deserves it, because he is not qualified
by Examination. He will I think prove

10-10-00.

With reference to Government Endorsement No. 289 Ed1.

dated 4th October 1900 the Board submits that there seems to be no alternative to the permanent exemption of unpassed candidates when repeated advertisements have failed to attract passed candidates. In view of the recommendation made by the Collector on behalf of the individuals Nos. 1-20 in the list, the Board sees no objection to their permanent exemption from the examination rules, so far as appointments on Rs. 15 are concerned, a restriction which should prove a sufficient safeguard against abuse of the relaxation of the examination rules.

2. The exemption of No. 21 in the list would be premature as he does not appear to have been tried as a Taluk Gumas-ta yet.

3. It will be observed that the Collector's recommendations even if accepted 'en bloc' would not fill the vacancies.

4. For the reasons given by the Collector the Board has also no objection to the exemption from the examination rules of M. Narasinga Rao, No. 22 in the list, so as to enable him hold an appointment on a salary exceeding Rs. 20 p

As to whether the exemptions applied for should be granted. The Collector's letter explains the matter clearly and the submission of the voluminous correspondence connected with it was perhaps unnecessary.
