From

THE HON'BLE MR. G. H. STUART, M.A., Barrister-at-Law,

DIRECTOR OF PUBLIC INSTRUCTION,

To

THE SECRETARY TO GOVERNMENT,

Educational DEPARTMENT,

Fort St. George.

SIR,

The Manager of the American Mission Girls' Boarding school, Ranipeta, proposed in 1896 the construction of a building to provide accommodation for the school as well as for boarders and applied for one-third contribution towards its cost. The Grant-in-Aid Code then in force contained no provision for aid for hostels and a grant of Rs.1840 was, therefore, sanctioned in G.O.No 716, dated, 17th November 1896 for the portion of the building to be used as a school house. The building was not completed till 1898 and was not occupied till the beginning of 1899. In the meantime, the code was revised and the revised code provided for building grants being given for hostels attached to educational institutions. Before the occupation of the new buildings, the manager made a representation of the above facts and requested that one-third grant may be sanctioned for the boarding house also and Dr.Duncan in his Proceedings No 9813, dated, 31st August 1899 promised to recommend to Government the application for additional grant.

2. The Executive Engineer, North Arcot District, reports that the estimate of Rs.6540 is accurate and reasonable and that the building, in his opinion, is suitable for boarding purposes.
