His Excellency the Governor in Council,

Fort Saint George,

MADRAS.

Through

The Collector of

South Canara.

Humble petition of Bekal Ramanna, late
Acting Peon of the Kasaragod Taluk ---
Office, South Canara District, dated
Mangalore, 17th November 1900.

Most respectfully sheweth,

That petitioner humbly begs to submit this petition
for your Excellency's kind consideration.

That petitioner belongs to the community of Koteyars which has been recognized as one of the backward classes in --- respect of education in South Canara - Vide Government Order -- No. 256, Educational, dated 3rd May 1897.

That petitioner is a member of one of the families of that caste that has taken up Government service for its ----- profession as most of his caste people do.

That petitioner is able to read and write Canarese -- sufficiently well for a peon's post though he has not passed -- the Primary Examination of the present day.

That petitioner is now nearly 36 years old; he first entered Government service as an acting peon in 1882 while he

and notified him of the decision
was only 18, when neither the 25 years Rule nor the Examination Rule was in force. He served as a Taluk Peon in acting and temporary vacancies for a period of nearly 18 years with but short breaks here and there. Although there were several Permanent vacancies in the grade of Peons ever since he entered service they fell to the share of men who had their stars smiling on them, while petitioner's misfortune kept him back from the view of his immediate superiors. Petitioner prays that he may not be understood to mean by this that he gave at any time room for his superiors to be displeased with him or his work. On the other hand he always tried his best to satisfy his masters by doing his work willingly and cheerfully. This is borne out by the fact that during the abovesaid long period of 18 years petitioner was neither found fault with nor punished by way of fine, suspension, &c., at any time. So he begs to submit that he is not to blame if he missed the several chances of being provided with a permanent post.

Petitioner withal submitted to his fate without a word of grumble trusting that his good service would not go unrewarded. At last in or almost August 1896 when the Examination Rules had not yet been made applicable to inferior service petitioner was appointed to act in a long vacancy for a peon who was on deputation as Stamping Gumasta for an indefinite period. This step had the effect of placing petitioner above the operation of the Public Service Notification when it was first made applicable to inferior service since January 1897, as petitioner was eligible for confirmation in the same post in which he was then acting when it fell permanently vacant. But to the petitioner's great disappointment the very post in which he was acting was selected for abolition during the recent reorganization of the Taluk Establishment, the permanent holder thereof -- having been promoted to the post of Mochee newly created in the Taluk Office and allowed to continue ^{to be} on deputation as before. Although there was thus a vacancy in the succession in which petitioner was acting he could not continue in it as there was a change of appointment. Consequently petitioner was thrown out of employment for ever as he is not eligible for re-employment

A duplicate copy of this petition has
under the examination rules and he was also ^{over} 25 years of age. It pains petitioner to see that things ought to have taken this peculiar turn in his case ever and anon, but he has to blame none but his own bad luck for this state of things.

The Tahsildar was thereupon pleased to recommend petitioner strongly to the Divisional Officer for exemption. He observed that petitioner has not yet passed the vigor of his life, is quite active and useful and more than sufficiently literate for a Peon and that it would be a real hardship that he should be thrown out after having rendered good service for such a long period. The Divisional Officer on a personal examination of petitioner fully agreed with the Tahsildar and was pleased to address the Collector with a view to exemption being obtained for petitioner's permanent appointment as a Taluk peon adding that petitioner is only middle-aged and cannot attend school now for more learning to secure a pass. But unfortunately again to petitioner the Collector declined to interfere in petitioner's behalf; perhaps because he did not want to trouble the Government for the sake of a poor creature like petitioner. With due respect to Collector's order petitioner begs to submit that petitioner did not deserve to be treated in the way the Collector did considering that there were extenuating circumstances in his case as much as petitioner had entered service 18 years ago, i.e., long before the present Examination Rules came into force and that when the rules came into force he was allowed to continue in the belief that his previous long and good service would be sufficient recommendation to secure for him a permanent appointment. However it may be petitioner's removal from his acting appointment after an approved service of nearly 18 years and the Collector's refusal to recommend him for exemption have thrown petitioner and his poor family into hopeless despair as they have no other means of livelihood and it is now too late for petitioner to betake to other profession after having spent a good portion of his life in Government service.

Petitioner entered service while he was still young at ~~such a time when~~ neither the Examination Rules nor the age rules

were in force; and did all in his power to give satisfaction in the discharge of his duties throughout his almost continuous --- service for a period of 18 years. A kind reference to the ---- records in the Kasaragod Taluk Office will fully bear out this statement. But all his efforts had been in vain and even the last hopes held out to him to continue in service had been taken away from him although he was reported to be sufficiently ----- literate for a peon and to have put in a very long period of --- approved acting service.

Petitioner therefore most humbly and respectfully begs leave to lay his deplorable case before His Excellency and throw himself at His Excellency's mercy with the hope that on a kind consideration of the fact that petitioner had entered service -- long before the rules, which now prevent his permanent appointment, had come into force and had done good work almost continuously for a series of years His Excellency may be graciously pleased to take a favourable view of this petition and sanction both petitioner's exemption from the operation of the 25 years rule as well as the Public Service Notification which have now ----- unwittingly come in his way for his permanent appointment to a Taluk Peon's post.

That petitioner having entered Government Service and -- worked faithfully though in acting capacities and with small --- breaks in the appointments for a period of 18 years in his early youth, he is now left with no avocation to turn his hand to.

That petitioner after relief from the acting peon's post at Kasaragod at the end of March last on the ground of educational and age disqualifications, again secured acting peon's post in the Divisional Office till the end of July last. This circumstance will, the petitioner humbly believes, give convincing proof of his good character and work.

That petitioner in the above circumstances humbly prays that his hard case may be viewed in a charitable light and removed from the bar of Examination rules and age, to enable him to ---- secure a permanent footing in the inferior service of Government.

For which act of justice and benevolence petitioner and his poor family shall ever remain grateful. ಶ್ರೀಮಂ ಸದಾ
