CURRENT NO. 1584

To

The Secretary to Government,

Educational Department.

Sir,

With reference to articles 2 and 4 of the Public Service Notification and No. 12-Departmental - Col I of Schedule B attached thereto I have the honor to request you will be so good as to let me know whether European Pensioners and Reservists of the Army are required to have passed the prescribed examinations or tests before appointment to the post of Court Keeper or Bailiff in this Court.

I think it advisable to make this reference as a doubt has arisen whether the two following appointments are in accordance with the rules of the said notification:-

(1) Mr. J. J. Dolby was appointed Court Keeper in November last on a salary of Rs 60. He is an European - having been born and educated in England - passed the 3rd Regimental examination, came out to India in the Royal Artillery, served for 7 years and is now on the reserve. He was out of employment at the time of his appointment but was specially selected for the post of Court Keeper because he is of remarkably good physique and appearance and able to command

respect and preserve silence in the Courts - qualifications which the Chief Judge considered of the utmost importance for the place. He is now acting as Bailiff on Rs 75 in the place of Mr. A. A. Percy who is acting for Mr. A. H. Fitzsimons now on leave.

(2) Mr. A. A. Percy, late Bailiff, High Court, Madras, was appointed a Bailiff in this Court in September last on Rs 75 having been selected for the place because he belongs to the Army reserve, is of good physique, holds satisfactory testimonials of character and qualifications and has had previous experience of bailiffs work in the High Court from 1896 up to August last.

I may add for the information of Government that his exemption was previously applied for by the Sheriff of Madras and granted by Government in their Proceedings in the Educational Department Nos 305 and 656, dated 10th April and 29th September 1896. I think it advisable to make this application as that exemption was only in view of his appointment as a Bailiff in the office of the Sheriff of Madras.

Should the Government be of opinion that the above mentioned Educational Rules do apply to these two cases I would request that in the circumstances above mentioned both Mr. J. J. Dolby and Mr. A. A. Percy may be exempted from passing the said examinations and tests and in the case of Mr. J. J. Dolby I would ask that the exemption granted should also extend to the office of Bailiff, in which office he will act from time to time and to

which

which he, will in course of time, probably succeed if he is found to be efficient.

I have the honor to be,

Sir,

Your most obedient servant,

J. H. Smith

Ag. Chief Judge.

C. No. 1584

SUBJECT.

Employment of military pensioners as Court Keepers and Bailiffs.

FOR ORDERS.

- Court Keepers and Bailiffs are not exempted under Article 3 of the Public Service notification. The examination rules are therefore applicable to them.
2. At present there is no concession under Article 4 in favour of European pensioners and reservists of the British Army as in the case of certain native Army pensioners. Clauses 1 & 4 of Article 4 are being amended so as to extend the concessions hitherto enjoyed by the latter to pensioners of the British Army and to throw open some more appointments to pensioners, both European & native. The two appointments now under consideration are not however among these. They may therefore be added before the order amending the clauses issues.
3. Mean while Messrs Dolby & Percy may be specially exempted.

A. Surely other military pensioners includes European pensioners. The man

Appointed as Store keepers - Police Office and the
 men employed as Reserve Inspectors are always
 British Army men - European who are exempt
 under this article - I don't understand the
 statement in the note -

Meanwhile exempt these particular
 men from their appointment in the usual way -

orders are also solicited on the suggestion at B.

2. As regards "other military pensioners", it is submitted
 that only men possessing certificates as Army schoolmasters
 or regimental certificates (Class II for non-commissioned officers
 and class I for other ranks) are exempt. These regimental
 certificates are prescribed for the native army. vide page 28
 of Vol XIV. B. of Army Regulations. Armed clauses 11 & 12
 Article 4 of the Public Service notification have however
 just been modified. vide G.O. No 600 26-11-00 in proof.
 should not other military pensioners be exempt with Armed clauses 11 & 12?
3. If the suggestion at B is approved the alteration
 shown in pencil in paras 4. of the above proof will be
 necessary made before the order issues.

C. ^{read}
 that as meaning
 pensioners of the
 same class as
