THE Secretary to Government
Local and Municipal Department
Madras.

SIR,

With reference to G.O. No. 574 dated the 24th ult., of the Educational department, I have the honor respectfully to ask whether the Government has not lost sight of G.O. no 2494 L. mis dated the 29th November 94 - passed in the Local and Municipal department, in accordance with which the Examination rules have been made applicable to all pensionable appointments in the Local and Municipal department of this District. The appointments of Local and District Clerks in the District are pensionable vide G.O. no 1842 L dated 19th August 1893.

I have the honor to be,

Exemption from the examination rules.

*(Through the Educational
Department)*

FOR ORDERS.

In September last, one J. V. Chakkur,
the 6th clerk of the Malabar District Board's
Engineers' office on a salary of Rs. 13-8-
per mensem, applied for his exemption
from the examination rules and his
application was submitted to Govern-
ment by the President of the District Board
for favourable consideration. The Educa-
tional Department dealt with this paper
and, in its order read above, referred the
President to G.O. No. 2773 *L* dated 12th December
1893, in which Government said that it
did not then consider it expedient to
prescribe any general educational test
for ^{Local Fund} appointments other than the Public Works
Class.

2. In his letter read above, the President
of the District Board points out that by the
Government

Government Order No. 2494 L dated 29th November 1894, the examination rules have been made applicable to all pensionable appointments in the Local Fund departments in the district and that the appointments of Local Fund clerks are pensionable under G.O. No. 1842 L dated 19th August 1893. It is thus apparent that the order in the Educational Department was issued without considering the Government order of the 29th November 1894, above referred to.

3. It is submitted that orders may now issue in this Department granting the exemption sought for by the clerk of the District Board's Engineer's office. He stated in para. 1 of his application that he "comes of very poor parents, who at a considerable sacrifice educated him till he reached the Matriculation class and then were constrained to remove him from school as their limited resources were exhausted" and from para. 6 it appears that Mr. Maylor and the present Engineer of the District Board, Mr. D'Rozario have given a very favourable opinion of him.

4. The accompanying draft order is submitted for approval.

NOTE FOR THE ASSISTANT SECRETARY.

When the application originally came to the Educational dept. I showed it to the Head Clerk, Local & Municipal dept. and asked him whether the examination rules were applicable to local fund service. It was on his referring me to G.O. No. 2773 L. dated 12th December 1893 that the note stitched with G.O. R. No. 574 Edl. dt 24th October 1900 was prepared. I regret now, that the reference was not then made (officially).

2. As regards the proposed draft, if the pensionable servants of local boards are eligible for transfer or promotion to Govt. Service no general exemption can be given in the L & M. dept. There is however no objection to the issue in the L & M. dept. of an order of the kind proposed if the words "so far as concerns his promotion in the local fund service" or some ~~sub~~ ^{thing to that effect} be added at the end.

The order may issue. I don't think the addition suggested is necessary, but if the Warding Stands, the Educl. - not the L. & M. dept. - should send out the order. We may ask L. & M. D. to transfer PH
