OFFICE OF THE DIRECTOR OF  
PUBLIC INSTRUCTION,  
Madras, 23 November 1900.

CURRENT NO. 1639  
No. 11741

From

THE HON'BLE MR. G. H. STUART, M.A., Barrister-at-Law,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE SECRETARY TO GOVERNMENT,

Educational DEPARTMENT,

Fort St. George.

SIR,

With reference to Government endorsement No 294, Educational, dated 12th October 1900 on Current No 1336 herewith returned, I have the honour to state that when the Sisters of the Church first applied for aid, Dr. Duncan was against helping the school chiefly on the ground that it was not needed in the locality and Government agreed with him-Please see this office letter No 12021, dated 8th November 1895 and the G.O. thereon, No 924, Educational, dated 9th December 1895. Later on, however, Dr. Duncan seems to have been satisfied that the institution supplied a real want and he sanctioned a salary grant of Rs.100 per mensem with effect from 1st April 1897; and this grant is now being drawn for the school. An institution that educates over 200 pupils can hardly be said to be unnecessary, and as it is efficiently managed and does not attract pupils from other schools either by low fees or free education, I think it deserves more liberal support from public funds than it now receives. I regret, however, that for want of funds I am unable to give it the additional aid it now seeks. I have had for the same reason to refuse increased aid to other efficient and older institutions. I have the honour to be,

Sir,

Your most obedient servant,

G H Stuart

Director of Public Instruction.

Cur. 1336.

Educational de

NOTE FOR THE ASSISTANT SECRETARY.

In 1895 the sisters of the Church asked for a grant in aid of their Madras Collegiate School for girls. ~~but Govt. replied saying that~~ they had no claim for a grant from public funds - vide G.O. No. 924 D.L. of 9<sup>th</sup> December 1895. Since then however, they appear to have secured Rs. 1200 per annum from the D.P.O. - vide statement of income in their present petition. They now apply for an increased grant.

2. There are no papers in the office showing the circumstances under which the present grant of Rs. 1200 has been given and in the ordinary course, the application for increase should have been submitted to the D.P.O. through the inspectors of the Central Circle. Submitted that it may now be referred to the D.P.O. for remarks.

As at A. I have

The Director's reply will be found on page 6 of the current

liberal support from public funds but for want of funds he  
is unable to increase the present grant of Rs 100 per  
mensam.
