From J. DE C. ATKINS, Esq., C.S., Secretary to the Government of Bombay, Educational Department, to the Chief Secretary to the Government of Madras, dated Bombay Castle, 11th December 1900, No. 1871.

With reference to the notification of the Government of India in the Home Department, No. 521, dated 17th November 1899, regarding a scheme for the Indian University of Research, I am directed to forward, herewith, a copy of a letter, No. 6240, dated the 6th instant, from the Director of Public Instruction in this Presidency, requesting, on behalf of the Provisional Committee of the proposed University, that facilities may be afforded to enable Professor Ramsay, F.R.S., &c., to visit the chief centres of education and industry in the Madras Presidency.

2. I am to request that, with the permission of His Excellency the Governor in Council, instructions may be issued to the officers concerned to give effect to the wishes of the Committee and to add that a copy of the programme of Professor Ramsay's movements will be forwarded to you hereafter.

ENCLOSURE.

From the Director of Public Instruction, dated the 6th December 1900, No. 6240.

"I have the honour to state that the Provisional Committee of the Indian University of Research have invited Professor Ramsay, F.R.S., &c., to visit India, and he is expected to arrive in Bombay on the morning of the 8th instant.

"2. It is proposed that Professor Ramsay should first inspect educational and scientific institutions, mills and factories in the Bombay Presidency; and he will afterwards proceed to visit the chief centres of education and industry under the Governments of the Punjab, the North-West Provinces, Bengal and Madras.

"3. The Committee believe that it will be of material assistance to Professor Ramsay in his travels through India if Government is able to commend him to the kind attention of the Governments mentioned above and to ask that he may receive all due assistance in his tour of investigation. I have been requested, therefore, by the Committee to place this representation before Government for their most favourable consideration.

"4. The Committee hope to be able to forward to Government very shortly a general programme of Professor Ramsay's movements for the information of the Governments concerned."
