From

E. R. Prudhomme
No. 2 Whannel's Road
Egmore.

Sir,

As directed by the Assistant Secretary of the Madras Government, I have the honor to forward you this application.

I beg that my educational attainments in Pondicherry may be accepted as an equivalent to the Matriculation examination of the Madras University, to enable me to be admitted in one of the Government Offices.

I have passed my "Brevet de Grammaire" which is, in some respects, little superior to the

ED
11/12

A
Matriculation examination of the Madras University and
comprises the following subjects:

Grammar: Principal rules of French, English, Latin
& Greek grammars.

History: Roman & Europe.

Geography: France & the world.

Translations: Latin: Virgil, Ovid, Tit. Live, Cicero.

— Greek: Anabasis, Herodotus, Sophocles.

Science: Arithmetic: up to proportions, Rules of
Interest & Capital etc.

Geometry: first four books.

Algebra: up to

Natural History: Geology Botany Zoology &
elementary notions of physics & chemistry.

Hoping that, after consideration, the Madras
Government will grant me this favor in consideration
of the services of my ancestors for the British earl
in the century

I remain,

Sir,

Your most respectful servant.

J. P. Prudhomme

The following is a list of the names of the persons who have been named in the above report.

the fall of Pondicherry and the acknowledgment of
those services.

4. On the fall of Pondicherry in the year
1793, my grand father was immediately employed
by the officer commanding the British forces. ~~was~~
After which he was appointed Post Master to the
French prisoners of war and controller of the salaries
& pensions paid by the British to the French
functionaries. In the year 1800, he received a
Lieutenancy in the British services and in 1806
granted a pension of Rs 280 per annum for
the important services rendered to Government.

5. In consideration of these services, I now
come forward with the prayer that the help I
seek may be accorded on behalf of my son
E. R. Prudhomme aged 21 years. Up to his 13th
year he studied in the St. Mary's College since
that time he has studied in the French academy
in Pondicherry. He is an F.A. of the Pondicherry
University. It will be seen that he is well educated
and a master of both English & French.

6. I request that as a special case,
the F.A. of Pondicherry University may be accepted
as an equivalent of the Matriculation, and that
he be exempted from passing any English
entrance examination.

7. I request that, as an act of grace, this
may be placed to confer this boon on the descendant of
one who helped the British officers with funds and
rendered great services to Government.

I have the honor to remain
Sir,

Your most obedient servant.

Signed: W. Prudhomme

NOTE FOR THE

For orders. The young man appears to have had a very fair general education including a little of the classics. He is just as likely (or more so) to turn out a good clerk as nine out of ten matriculation boys.

17-12-00

He might perhaps be told that if any H^o of a Dept desires to give him an appointment, he looks well to be ready to exempt him from the Matriculation or Upper Secondary Examination. He seems to have received a queer kind of education!

I agree with the Secy. It will be better to give exemption on the appln of a Dept head & not a general exemption.
