GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

Read—the following paper:—

From the Hon'ble Lieutenant-Colonel D. ROBERTSON, c.s.i., Resident in Mysore, to the Secretary to the Government of Madras, Educational Department, dated Bangalore, 17th November 1900, No. 6076—448.

I have the honour to forward, for the information of the Government of Madras, a copy of the rules for the text-book committee for the Civil and Military Station of Bangalore which have received the approval of the Government of India. As the schools in the Civil and Military Station are inspected by Madras officers and are under the administrative control of the Director of Public Instruction, Madras, I hope that His Excellency the Governor in Council will have no objection to the text-book committee appointed by the Government of Madras for the presidency of Fort St. George acting on behalf of the Civil and Military Station of Bangalore, as well as on behalf of Coorg.

ENCLOSURE.

Rules for the Text-book Committee for the Civil and Military Station of Bangalore.

The text-book committee for the Civil and Military Station of Bangalore shall be the text-book committee appointed by the Government of Madras for the presidency of Fort St. George.

2. The functions of the text-book committee in respect to the Civil and Military Station shall be limited to advising the Resident regarding the selection of books for use in the schools in the Civil and Military Station of Bangalore. The committee will have no concern with the text-books of schools under the Code of Regulations for European schools, unless they are specially referred to the committee for opinion by the Resident.

3. Text-books shall be divided into two classes as follows:—

- (1) Text-books, the use of which is authorised by the Resident.
- (2) Text-books, the use of which is specifically prescribed by the Governor-General in Council or by the Resident.

4. In the case of schools receiving grants-in-aid, whether from Government or from the Municipal Commission, text-books shall not ordinarily be specifically prescribed; but the managers of aided schools shall, as a condition of receiving grants-in-aid, be required not to use any text-book which has not been authorised by the Resident. The Governor-General in Council and the Resident, however, retain the right to require that any book specifically prescribed by them shall be used in aided schools.

5. If the manager of an aided school wishes to adopt a text-book which is not included in the authorised list, the Resident will give every facility to have the book referred to the text-book committee with a view to its inclusion under the orders of the Resident in the list of authorised text-books, should it be found a suitable work.

6. If in any unaided school text-books are in use which have been disapproved by Government, no pupil who has received instruction at such school shall be permitted to appear as a candidate at any public examination for passing which a certificate is given, or to compete for a Government scholarship.

7. A list of all unaided schools in the civil and military station of Bangalore shall be maintained by the Inspector of Schools, who shall inform the managers of all such schools that pupils receiving instruction under them will not be permitted to appear at any public examination or to compete for any Government scholarship unless a list of the books used at such schools is submitted to him on the 1st April in each year for the information of the Resident.

8. A list of text-books shall be published in the first issue of Part II of the Government of India Gazette for April every year. This list shall be of text-books which have been authorised by the Resident for use in aided schools and of the books (if any) specifically prescribed for use in aided schools by the Governor-General in Council or the Resident. A second list of books which have been specifically disapproved by the Governor-General in Council or the Resident shall be maintained in the office of the Director of Public Instruction and of the Resident, but shall not be published in the *Gazette of India*.

9. The Director of Public Instruction shall in his annual report describe the manner in which these rules have been carried out in practice during the preceding year.

The Honourable the Resident in Mysore will be informed that His Excellency the Governor in Council has no objection to the Madras text-book committee acting on behalf of the Civil and Military Station of Bangalore as well as on behalf of Coorg.
