To

The Secretary to Government,

Educational Department.

Sir,

With reference to para.2 of G.O.No 513, Educational,
dated 18th October last, I have the honour to state that I have
arranged to form a committee consisting of the gentlemen

Dr. J.W. Leather : named in the margin to consider and
Mr. Mollison :
Mr. C. Benson : revise the course of instruction at
Mr. R.S. Thorne :
M.R. Ry. C.K. Subba Rau : the College of Agriculture. Mr. Benson

the Chairman of the Board, held a preliminary meeting on the
4th instant, the result of which is contained in the enclosed
copy of a letter from the Chairman, of the same date. Mr. Benson
there points out the necessity for his consulting Messrs
Leather and Mollison before any suggestions can be worked out
and requests that, as he is shortly proceeding on leave, he may
be permitted to visit Poona on his way and consult the two
gentlemen named above. In the circumstances stated, I have
the honour to recommend that Mr. Benson's suggestion be
approved as early as possible. In anticipation of sanction
he has been asked to arrange with Messrs. Leather and Mollison
for the meeting.

I have the honour to be,

Sir,

Your most obedient servant,

G.H. Stuart

Director of Public Instruction.

From

The Chairman,

Board of Examiners for College of
Agriculture.

To

The Director of Public Instruction,

Madras.

Sir,

I have the honour to report that, in compliance with
your request, I called a meeting this morning of the Committee
appointed to consider the course of instruction in the
College of Agriculture, and to state that in the circumstances
only Messrs. Thorne and Subba Rao could attend. It is
necessary that I should also consult Dr. Leather and Mr.
Mollison before any suggestion can be worked out and as I am
going on leave in continuation of the Christmas holidays it
would probably be simplest for me, if permitted to do so, to
visit Poona on my way to Bombay during the early part of
these holidays. Dr. Leather is now on duty there and
Poona is Mr. Mollison's headquarters.

2. If I am permitted to visit Poona on duty, I should be able
to make myself acquainted with the experiments proceeding
there in the septic treatment of sewage which is a question
on which this Department has been consulted by the Sanitary
Engineer to Government and I am authorized to say that the
Director, Land Records and Agriculture, considers for this
reason that my proposal to visit Poona should be recommended
to Government.

I have &c &c

(Signed) C. Benson,

Chairman, Board of Examiners for
Agriculture.

NOTE FOR THE ASSISTANT SECRETARY.

The D.P.I. states that he has arranged to form a Committee consisting of the gentlemen named in the margin to consider and revise the course of instruction at the College of Agriculture and requests that Mr. Benson, Chairman of the Committee, may be permitted to visit Poona to consult Dr. Leather and Mr. Mollicson.

It is not clear however how the D.P.I. could have asked Dr. Leather and Mr. Mollicson to join the Committee.

2. Mr. Benson being a Revenue Officer, the travelling allowance payable to him for visiting Poona will be debitable to the Revenue department and that dept may therefore be asked u.o. whether it will have any objection to permitting Mr. Benson to visit Poona.
