Proceedings of the Board of Revenue

(Land Revenue)

Forest No. 58 Dis. dated 14 February 1900.

Mr. A. W. B. Higgins.

Read letter from J. W. Cherry, Esq., Conservator of Forests, Southern Circle, No. 1179 of 1899, dated 30 November 1899, requesting the sanction of the Board for the exemption of certain men from passing certain departmental tests with a view to their being promoted to higher grades or classes.

Resolution.

3. At the instance of the Conservator of Forests Southern Circle, the Board requests the sanction

to higher grade of Forester and for the exemption
of K. Narayanaswami Nayudu, Deputy Ranger
2nd grade, from passing the Departmental test
Forest Code, Act and Rules. Lakshman Singh
an unpassed candidate but in view of his
good service for 16 years as Tannader and
Forest Guard, Government in its Order No. 666. B
Educational, dated 8th September 1892 exempted
him from the Examination Rules so far as
his promotion to the 3rd grade of Forester on
p. 15 was concerned. The Conservator now
reports that he has worked well as a forester
in an unhealthy locality and recommends
his promotion to the next higher grade (pay
p. 20). The Board supports the Conservator's
recommendation as a special case.

4. Narayanaswami Nayudu whom the
Conservator wishes to promote permanently to
the post of Deputy Ranger was in

78/19

of the Forest Code his promotion to the next higher
grade is not permissible unless he has passed
the Departmental test in Forest Code, Act and
Rules. He does not know English and there
is little chance of his passing the test.
The Conservator however recommends his permanent
exemption on the grounds (1) that he is in
charge of elephants, a work of great respon-
sibility and (2) that he has to reside in
the unhealthy locality of the Anamalais.
The Board strongly supports the Conservator's
recommendation.
