The Secretary to Government,

Educational Department.

Sir,

I have the honour to enclose copy of a letter from the Adjutant-General in India, Simla, to Mr. Chatterton, and to request that, as desired therein, Mr. Chatterton be permitted to visit Allahabad or Fyzabad early in January next. The supply of aluminium utensils to British troops in India being a matter of great importance it is desirable that this department should render every possible service to the Military authorities in their endeavours to give the metal a fair trial, and Mr. Chatterton's personal help and advice will be of material aid in enabling them to secure the best results. It would be advisable also in the interests of the development of the metal industry to permit him, as he requests, to visit the more important industrial centres of Northern India. He has a number of agents there with whom he does a considerable amount of business in European goods and he thinks that this would be a favourable time to see what can be done for the native market.

I have the honour to be,

Sir,

Your most obedient servant,

G. H. Stuart

Director of Public Instruction.

To

Alfred Chatterton, Esqr., B.Sc.,

Officer in charge of the Aluminium Department,
School of Arts, Madras.

Sir,

With reference to your letter No Al/4589, dated 19th November 1900, I am directed by the Commander-in-Chief to state that His Excellency would be very pleased if you could arrange to come up-country to consult with Lt. Col. Capper, the Officer Commanding 1st Battalion, Northamptonshire Regiment in regard to the question of transport and other matters which you touch upon. It would also be an advantage, if you could see the aluminium utensils supplied by your department and now on trial with this Battalion in actual ~~actual~~ use and to give any advice in regard to them which may be necessary.

2. I am to suggest that you may be good enough to place yourself in direct communication with Lt. Col. Capper to fix the time for your proposed visit, as the Battalion, now at Allahabad, may move this month to Fyzabad.

3. Lt. Col. Capper will be informed accordingly.

I have &c &c
