G.O.	No.	Department.	Date.

Extracts from the Proceedings of the Agents to the Trustees of the Lawrence Asylum Press dated Madras, 9th October 1899.

II. Read - Letter from the Principal and Secretary, Lawrence Asylum, Coty, 21st August 1899, asking the Agents to report on certain suggestions put forward by the Committee of the Lawrence Asylum regarding the improvement and management of the Press, so that larger profits may be realised.

Resolved - (a), that in the opinion of the Agents it would be well if their status was changed and they were made members of the Lawrence Asylum Committee and thus legal Trustees of the Lawrence Asylum Press, who being in Madras would represent in Madras the body of Trustees for the management of the Press.

(b). That in the opinion of the Agents there should always be in addition to the professional Superintendent a Secretary or Managing Agent. For the present the Agents recommend that Government be asked to allow Mr. Hill, then Superintendent of the Government Press, to act as Secretary and Managing Agent.

The Resolutions contained therein
meet with the entire approval

August 1899, to the effect that the
Committee of the Cotacamund

the Madras Government
does not claim any right to

Under Consideration.
the papers are still with
H. M. Having been last
submitted to him on the
26th Oct 1895.

Art 91. c. seems to contemplate
only an honorarium not a recurring
charge. When the period for
which W. Hill's services are
needed, has been ascertained,
payment might be made in
the shape of one honorarium
or more if necessary, with
the sanction required.

Submitted that the papers
may go to H. M. as it is connected
with files already with him.

NOTE FOR THE 'CS.

As far as Public is concerned there is no reason why he still should not be paid for continuing with the work which he now does for the L.A. Press. It is understood that no addition to his work is contemplated. The ^{decision of the} question, however, will rest on the consideration which Public is not concerned.

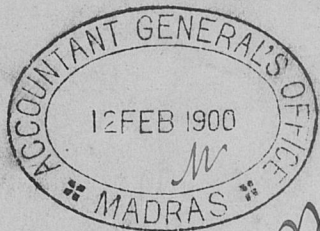

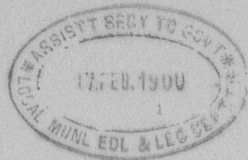

At
5.2.00

I consider that it is now necessary to release the Dept. of the Press of the his committee with the control of the Lawrence Asylum, The Enl.

is ^{field} enough for the
of any man and
think it is enough to the
the work of the Press if
the Supl. are relieved of his
duties in connection with
the L.A. Press. If it be decided
to maintain his connection with the L.A. Press.
I see no reason why he should
not be paid for the work
he does. provided there is
no current objection with
reference to articles 88 & 89
of the C.S. Act.

No. 160.

The case comes under Article 9,
Civil Service Regulations - a recurring
payment will apparently come under
the same rules as an increase to
salary, vide note to Article 89 b and
in that case sanction of the Secretary
of State will be necessary for any more
allowance to be given to Mr. Hill.
