2. The Principal of the Madras Medical College accordingly supplied the Colonial students this year with books of the value of Rs 349-0-0 & forwarded bills for the amount to the Principal Medical Officer, Straits Settlements, Singapore for payment. That officer however stated in reply that the Govt. of the Straits Settlements had written to the Govt. of India to supply the students with the necessary books, the expenditure so incurred being debited to that Colony in its account current with the Govt. of India & requested the Principal to apply to the Indian Govt. for the payment of the bills in question and of any future bills. The D.P. I now applies for sanction ^{for payment of} the amount & the A.G. says that charges of this kind were not paid by him in former years.

no instructions from the Govt. of India in this matter.

Orders are therefore solicited as to whether the sanction applied for ^{by the D.P.} should be accorded & the A.G. requested to recover the amount from the ^{Govt. of the} Straits Settlements or whether the instructions of the Govt. of India should be obtained before that is done.
