Educational Department.

I have the honour to request that the sanction of Government may be accorded to the payment to Messrs. Addison and Co., Madras, of the sum of Rupees (93-⁰⁰)-Ninety-three, this being the amount charged by them for printing forty thousand copies of four question papers for the Lower Secondary Examination held in December last. The reasons for dividing the work of printing the question papers required for this Examination between two presses were so fully set out by Dr. Duncan in his letter to Government of the 20th November 1899, No. $\frac{216}{18}$, that I have nothing to add to them. The system has so far proved satisfactory and I would request that Government will be pleased to authorize its continuance.

Your most obedient servant,

G. H. Stuart
Commissioner.
