Mathematics.—Subject V.—The Stages are numbered 1, 2, 3, 4, 5, 6, 7.

An Asterisk (*) denotes that the Student has gained a prize in the subject so marked.

The Committee give Book Prizes of the value respectively of 5s., 10s., and 15s., in the Preliminary or Elementary, Ordinary or Advanced, and in the Honours Stages of Science or Technological subjects, to students who make 75 per cent. of the possible attendances, pass in the First Class in the respective examinations, and obtain 50 per cent of the possible Home Work or Lecture Note marks. The scale of prizes applies also to classes where only a school examination is held. A certificate is also awarded upon the results of school examinations.

The value of the 1st, 2nd, and 3rd Book Prizes for Home Work is £2 2s., £1 11s. 6d., and £1 1s. respectively, in each department, and the same for Examination Results in addition.

The Scholarships of C. S. Purcell, W. R. Bell, P. Gaunt, Catherine H. Wolstenholme, and Eva Hibbert, of the Chemistry Department, have been renewed for a third year.

ATHLETIC UNION.

RESULTS OF
ANNUAL COMPETITIONS.

The Athletic Festival is held in the month of July in each year. The Festival was first held in the year 1896.

SCHOOL CHAMPIONSHIP.

The programme contains six events, in which all students compete on equal terms. These events are :—

One Hundred Yards Foot Race.
Quarter-mile Foot Race.
Half-mile Bicycle Race.
Two Miles Bicycle Race.
One Hundred and Twenty Yards Hurdle Race.
High or Long Jump.

The competitors gaining first, second, and third places in each of these events receive 8, 5, and 3 marks respectively. The School Championship, with an accompanying gold medal, is awarded to the student who secures the highest aggregate. The competition, arranged as described above, was instituted in the year 1897.
