Sir,

I

With reference to G.O. N^o 557, d/ 12th August 1898, "Political" I have the honour to forward the accompanying petition from Muhammad Abd-ul-Khalig to the address of His Excellency the Governor-in-Council, with the following remarks:-

2. Petitioner's connection with the Carnatic family is as he states. He is a young man aged about 23 years. He has sufficient means to prosecute his studies and pass one of the University Examinations, if he intends to do so. The same bounty to him that was granted to his brother, G.O. N^o 166, d/ 26th March 1898, is granted.

3. Should the Government have no objection to accede to his prayer, it might be completed with.

To

His Excellency The Right Honourable

The Governor-in-Council,

Fort St. George, Madras.

The humble petition of Muhammad Abdul
Khaliq a great-grandson of Nawab Wall-
ajh, residing in Royapettah, Madras.

Most respectfully sheweth:-

That your Excellency's humble petition-
er is lineally descended from the illustrious Carnatic fa-
mily being the son of the late Muhammad Abdul Wahab Sahib
who was the son Mubarak Unisah Begum Sahiba, the daughter
of Muhammad Abdul Chaffar Khan Bhadur Sabith Jung son of
the Nawab Wallajh of the Carnatic.

That your humble petitioner's father
during his life time was a recipient of a carnatic pension
of Rs.53 in consequence of his distinguished lineage.

That after the demise of your humble
petitioner's father on 19th December 1890 his pension was
divided among his wife and surviving children. The male
members getting Rs.14-8-0 and the females Rs.7-4-0. As
the pension granted fell short of the minimum amount allowed
for a carnatic pension according to a Government ruling the
pensions were commuted, and your humble petitioner in lieu
obtained a lump sum of Rs.2251 and odd.

That your Excellency's humble petition-
er with this sum granted him was able to maintain and edu-
cate himself up to this time, but as the amount granted was
not in itself large to help him to go further in prosecuting
his studies to a desirable extent, he is therefore compelled
to discontinue his studies and seek at the hands of the

benign

benign Government the concession that is usually granted to the members of the carnatic family--namely an exemption from the operation of the Upper Secondary Examination to enable him to enter the public service and earn a livelihood for himself.

In this connection your humble petitioner begs to state that had it not been for the want of means in consequence of the money given him already spent he would never resort to the public service in this way but would endeavour to compete in the regular way.

That your humble petitioner had for the past ten years been a student of the Harris H. School and pushed himself forward from the lowest to the highest class--the Matriculation, for which Examination he had appeared and failed, in support of which he attaches a certificate from the Headmaster, had it not been for straitened circumstances he is now placed in he would never give up the idea of persevering to pass the examination.

That your humble petitioner in bringing his case to your Excellency's notice begs respectfully to point out that your humble petitioner has a brother in the public service who obtained an exemption on the same grounds set forth by your humble petitioner and that several members of the carnatic family, from which your humble petitioner hails, have been granted similar exemptions in consequence of this distinguished lineage to enable them to raise themselves to a position consistent with their birth and rank. And further as the benign Government has the welfare of the carnatic family at heart to push them forward in life and make them respectable members of society.

That your humble petitioner respectfully trusts that your Excellency in Council will be pleased to take his case into consideration and grant him the exemption prayed for.
