GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—again the following paper :—

G.O., Mis. No. 606, Educational, dated 27th November 1900.

Read—the following letter from the Hon'ble Mr. G. H. STUART, M.A., Barrister-at-Law, Commissioner for Government Examinations, to the Secretary to Government, Educational Department, dated Madras, 10th November 1900, No. 177—1-D :—

In continuation of my letter of the 26th July last, No. 123—1-D., I have the honour to recommend that the privilege of appearing for the examination in mensuration and for the special examination in arithmetic according to the sixth standard now enjoyed by candidates who passed the special primary examination, in view to their qualifying for admission to the village officers' special tests, may be extended to candidates who passed the late upper primary examination before 1st December 1889. Under article 1 of the public service notification, the special primary and upper primary examinations are treated alike, in that they are both accepted as equivalent to the primary examination, and it seems only reasonable that any privilege allowed in respect of the late special primary examination should also be allowed in respect of the late upper primary examination.

Order—Mis. No. 606, Educational, dated 27th November 1900.

The Commissioner's recommendation is accepted.

2. The necessary alterations in the primary examination and the village officers' special test notifications should be submitted in draft.

Ag. Secretary to Government.
