C. No. 253.

SUBJECT

Special allowance to Dr. Bourne.

FOR ORDERS

Under paragraph 9 of the resolution of the Govt. of India printed in G.O. no. 479 of 10th August 1896, an officer of the Indian Educational Service can have a special allowance of Rs. 100 a month after fifteen years' service if his total salary does not exceed Rs. 1,000 and if it is considered by the local Govt. that he merits an increase. Dr. Bourne who completed fifteen years' service on the 15th January 1901 and whose present salary is Rs. 1,000 is accordingly recommended by the Director for this special allowance.

2. It does not appear to be necessary to consult the Acctt. General in this case, but should the sanction take effect from 16th January 1901 or from date of order? - Apparently from the 16th January.

3. Dr. Bourne has just been nominated to act as Principal of the Presidency College and it is likely that he will during the acting period become entitled to ^{the} personal allowance of Rs. 250.

Rs. 250 - 50 - 500 attached to the appointment.
If so, he will not probably be eligible for
the special allowance during the same period but
this point need not be considered before the
question of continuing to him the whole or a
portion of the personal allowance drawn by
Mr. Bilderbeck is raised and settled.

The sanction may even
from the date on which
Dr. Bourne completed his
fifteen years.

2. As to the question of merit, there
is no doubt: very few scientific
men obtain such a blue-ribbon
as a fellowship of the Royal
Society, & good & original research
is always indicated by election to
that body.

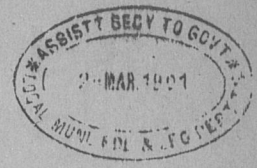

3. The point at A need not be
considered now.

To Sect General who is requested to say if there is any
objection to the frank.
