To

The Secretary to Government,

Educational Department.

Sir,

I have the honour to request the orders of Government regarding grants-in-aid for the Government Press Technical school, Madras.

2. Since the introduction of the fixed grant system, technical and industrial schools have ceased to be aided on the results system, having been brought under the fixed or salary grant system, according as they are lower or higher class technical schools (vide article 4 Chapter I of the Grant-in-Aid Code). The Government Press Technical school was in receipt of results grants up to the end of 1898-99, and being a higher class technical school it can no longer be aided on the results system. Nor is it eligible for aid on either the salary grant or fixed grant system, as it has no regular staff. It is held out of office hours and taught by some of the senior employes of the Press, who are remunerated from the annual grants paid for the school. Mr. Hill, the Superintendent of the Government Press, who is the manager of the school says that the withdrawal of grants would result in its being closed. It was first established with the sanction of Government, (vide G.O. No 543, Educational, dated 22nd July 1893) and is intended for the employes of the Press. I would therefore recommend that the case be treated as a special one and that the school may continue to be aided on the results grant system according to the scale of the Grant-in-Aid Code for 1898, viz

				Second class. Rs.	First class. Rs.
Results Grant for passing the Elementary Technical Examination				10	15
"	"	Intermediate	"	12	18
"	"	Advanced	"	16	24

I have the honour to be,

Sir,

Your most obedient servant,

G. H. Stuart

Director of Public Instruction.
