Read letter from Edmund Millett, Esquire., Acting Deputy Commissioner, Central Division, Cur.No.197/Board of 1901, dated 14th February 1901, requesting the Board to obtain the sanction of Government for exemption from passing the necessary departmental tests on behalf of certain Sub-Inspectors who have been promoted from the 3rd to the 2nd grade.

Extract of Central Division Deputy Commissioner's letter, Cur.No.197/Board of 1901, dated 14th February 1901.

"3. Out of a total service of over 28 years, J.Rama Aiyar has served for 16 years in the Ceded Districts and was strongly recommended by Mr.Brown in 1897 in the following terms:-

"I recommend this man for promotion on the ground of long service and general good character X X. He is certainly, barring his not knowing English, as good as and better than many of the present F.A. and B.A. lot who get rapid promotion" My predecessor Mr.McMaster ~~who~~ has also recorded a good opinion of the Sub-Inspector's work when he was in Madanapalle. The Sub-Inspector was in the third grade from 1st April 1890 and considering the good service done by him in the Ceded Districts and seeing that there was no punishment outstanding against him I have promoted him."

4. C.Venugopala Pillai was also senior in rank and he has been favourably reported on by successive Assistant Commissioners. The late Deputy Commissioner Mr.J.H. Merriman has recorded the following note about this Sub-Inspector:-

"Has been the honest backbone of the Madras Depot during transport and storage for the last 20 years".

5. Lastly, A.Sundaram Aiyar has a service of over 30 years in the department and in addition to his general good work, has done excellent work in connection with the recent ganja smuggling cases reported from the Vellore Circle."

C. No. 322

SUBJECT.

Exemption from the Examination rules.

FOR ORDERS

As to whether the Board's recommendation may be accepted. Of the three Sub-inspectors recommended for exemption the first, J. Rama Aiyar, does not seem to know any English at all.

The length of service rendered by the three men is a point in their favour, but one can hardly suppose that a person who doesn't know English at all can be as efficient as others who do.

They are all very old servants and it is usual to accept the Commr's recommendation in these matters; except to men as proposed
