To

The Secretary to Government,
Educational Department.

Sir,

I have the honour to request the sanction of Government to the proposals contained in this office letter No 12782, dated 17th November 1899, read in G.O. No 112, Educational, dated 8th March 1900, for the formation of a band class in the Reformatory School, Chingleput, with effect from the 1st April next.

2. In November last the Board of Revenue enquired whether arrangements could be made to have a certain number of the pupils of the Reformatory School trained as buglers for employment in the Salt Department and I stated, in reply, that, on the formation of a band class in the school, endeavours would be made to carry out the suggestion. The Superintendent of the school also reports that the Recruiting officer of the 9th, 11th and 23rd M.I. has written to him enquiring whether any of the pupils have been taught to play in a band in view to their being enlisted as bandsmen. It is thus clear that the formation of the class, will not only enable a larger number of pupils to find employment on discharge from the school, but will also extend the usefulness of the institution and supply a real want.

3. Provision on account of the instructor and the necessary articles of furniture and instruments has been made in the budget for next year. The usual proposition statement will be submitted on receipt of sanction.

I have the honour to be,

Sir,

Your most obedient servant,

G. H. S. S. S.

Director of Public Instruction
