To

The Secretary to Government,

Educational Department.

Sir,

I have the honour to request the sanction of Government under Article 2 Chapter VIII of Grant-in-Aid Code for a third grant towards the purchase of a hostel site by the Manager of the Setupati High School, Madura, which is one of the most important upper secondary schools in the Presidency under native management. There is already a hostel attached to the school, under the name of the Victoria Diamond Jubilee Hostel and it has been working very successfully for the past two years. It is now accommodated in a rented building; but the manager proposes to provide a permanent building in the vicinity of the school and has secured a suitable site at a cost of Rs. 9000, which the Superintending Engineer of the VI Circle considers to be a reasonable price. The new building to be erected on the site is intended to accommodate about a hundred pupils who will all belong to the Upper Secondary Department. Pupils of the lower secondary forms are mostly children of the residents in the town and are not likely to avail themselves of the hostel accommodation. Thus the hostel will be solely for the benefit of the upper secondary department and I therefore recommend that the whole of the grant admissible under the Grant-in-Aid Code may be paid from Provincial funds. The institution being one of the most efficient of those under native management deserves special encouragement. I have therefore the honour to request that you will be so good as to obtain the sanction of Government for a third grant of Rs. 3000. The grant, if sanctioned, will be paid on production of the sale deed and when funds are available.

2 The plan of the site is enclosed for reference and favour of return.

I have the honour to be,

Sir,

Your most obedient servant,

G. H. Stuart

Director of Public Instruction.
