CURRENT NO. 398

To,

The Secretary to Government
Educational Department
Fort St. George.

The humble petition of
Mir Kurban Husain, late Plague
Inspector, residing in Sardar Jang's
garden, 1st Street, Peters Road, Roy-
apettah Madras.

Most Humbly Sheweth,

That the petitioner begs to solicit
your Excellency's attention to his petitions dated res-
pectively the 20th September 1900 and 12th January
1901, on the subject of his Exemption from passing
the Upper Secondary Examination for employment
in public Service.

That in the first of the applications
above referred to, which was forwarded to Government
with the Sanitary Commissioner's endorsement No. 1523
dated 1st October 1900, the petitioner begged Government
to exempt him from the Upper Secondary Examination
so as to enable him to seek employment in either the Forest
or Salt Abkari and Customs Department. And in G.O. No.
536 Educational dated 26 October 1900, the Government
was pleased to grant the petitioner one of his alternative
requests by exempting him for entertainment in the
latter Department.

That in his second petition dated
12th January 1901, submitted to government, with
Sanitary Commissioner's endorsement No. 195 dated
25 January 1901, the petitioner finding himself naturally
hindered by the shortness of his stature from entering the
Salt Abkari and Custom Department, prayed that
Government might be pleased in consideration
of the exceptional circumstances detailed in the
petition and corroborated by the copies of Corres-
pondence therein enclosed either to grant him a general
exemption irrespective of the Department of service
or if that were not feasible at least to permit him
to seek employment in the Forest Department.

his latter prayer being identical with one of the alternative requests made in his first petition of 20th September 1900.

That in reply to this petition, the petitioner was, in G.O. No 56 educational dated 14th February 1901, informed through the Sanitary Commissioner, that Government was not prepared to grant him the general exemption applied for, this order is silent as regards the petitioner's other alternative request to be permitted to enter the Forest Department.

That in conclusion the petitioner begs to state that as his object in obtaining exemption for service in the Salt, Akkari and Custom Department has been defeated by his signature being too short for entertainment in that Department, the only way, he finds of utilizing the exemption obtained, would be to try to secure permission of Government for admission into some other Department. And as Government has already declined to grant him a general exemption as being perhaps too great a concession for him, the petitioner begs that he may at least be exempted from the operation of the Examination Rules in view to enable him to seek employment in the Forest Department, where he may turn to use the exemption he has already obtained.

For which act of kindness the petitioner shall ever pray.

Your Excellency's Most Humble Petitioner
Mir Swaran Dasain
Late Plague Inspector
