NOTE FOR THE ASSISTANT SECRETARY.

With the sanction of Govt the School of Arts rented a portable engine from the Public works workshops at Rs 8 per mensem. The General Superintendent of the work shops now says that this small rent was never intended to cover the cost of repairs to the engine and that as the school refuses to pay the cost of repairs executed at its request, the rent must be raised to Rs 16 a month from the 1<sup>st</sup> April 1899. The Director accepts this and requests sanction for the payment of the increased rent from 1<sup>st</sup> April 1899 up to the date on which the school finally ceased to use the engine. The Director it will be seen does not give the exact date on which the school ceased to use the engine.

Orders are solicited as to whether the Director should be called upon to give this first date, or whether sanction may be accorded at once to the payment of the increased rent from the 1<sup>st</sup> April 1899.

There is no need to make the enquiry suggested at A. Whatever the date may be, the order of Govt. will be the same. Please draft as at B.

The Secretary to Government,  
Educational Department.

Sir,

In returning herewith Government endorsement No 51, Educational, dated 21st February 1901, with its enclosures, I have the honour to request sanction to the payment from the budget allotment for the School of Arts of a rent of Rs.16 per mensem for the vertical boiler and engine from the 1st April 1899 up to the date on which the school finally ceased to use the engine. Mr. Chatterton reports that the engine was not used by the Aluminium Department of the school after the boiler engine was installed and that during the whole time the Aluminium Department used the engine in question, it was also employed in doing the work required by the other departments of the School of Arts. As the fuel and extra driver were paid for from the separate allotment for the Aluminium department, it is proposed to charge the School of Arts proper with the extra rent.

I have the honour to be,

Sir,

Your most obedient servant,

G. H. Street  
Director of Public Instruction.
