Executive Engineer along with those of other unpossessed men.

The peons appealed against the Executive Engineer's action & taking into consideration that these men had been in service prior to 1st January 97 from which date the Examination Rules have been brought into force (Vide G.O. No 649 W of 8.3-94) I have ordered their reinstatement, but the Examiner of P.W. Accounts, whom I have consulted as to whether there would be any audit objection to the peons being allowed to continue in service, states that sanction of Government is necessary, the peons not being permanent on 1st January 97.

It is not known, & the Executive Engineer cannot tell from his records, why these men were not confirmed as they ought to have

been years ago; I am of opinion that they should not suffer for what was apparently an oversight, they have held their appointments continuously since 1895, and it seems to me to turn them out of their appointments for what was clearly an accident, can scarcely be described as fair treatment.

Under the circumstances, I have the honor to request that you will obtain sanction of Govt. to the peons being continued in service.

I have the honor to be,
Sir,
Your most obedt servt

W. Davis
Supt Engineer
