G.O., Mis. No. 127, Educational, dated 6th March 1901.

Order—Mis. No. 127, Educational, dated 6th March 1901.

The following telegram will be despatched to the Government of India, Home Department :—

"No. 4 Education. My letter 73, dated 12th ultimo. Government strongly urges retention [of the] provision in [the] budget for next year for [the] agency [of] supervisors [of] primary schools. Proposition statement under examination by Accountant-General. Will not be completed before week's time. Delay in its submission has been unavoidable, but Government trusts this will not prejudice retention [of] provision."

READ—also the following paper :—

From J. P. HEWETT, Esq., C.S.I., C.I.E., Secretary to the Government of India, Home Department (Education), to the Secretary to the Government of Madras, Educational Department, dated Calcutta, 27th March 1901, No. 127.

With reference to the correspondence ending with your telegram No. 4, dated the 6th March 1901, on the subject of provincializing the agency of supervisors of primary schools, I am directed to say that the ordinary rule is that no new charge may be included in the budget until sanctioned by competent authority, and as the proposal had not been sanctioned by the Government of India, the provision of Rupees 1,03,000 was removed from the estimates of 1901-1902. The Government of India regret that the application for the retention of the item was received too late to admit of any change being made in the estimates.

2. I am to suggest, however, that, in the event of the scheme being eventually sanctioned by the Government of India and the Secretary of State, it may be possible for the Government of Madras to provide the funds which will be required for the remaining part of the next financial year by reappropriation from the increased grant under 45-Civil Works which the general grants-in-aid from Imperial made in the budget estimate have rendered possible.

NOTES CONNECTED WITH G.O., No. 187, EDUCATIONAL, DATED
3RD APRIL 1901.

[SUBJECT—Provision for provincializing the agency of supervisors of primary schools.]

From the Secretary to the Government of India, Home Department (Education), No. 127,
dated 27th March 1901.

For the Assistant Secretary—

This letter may be shown to the Honourable Member before Council to-morrow.

P. T. THARYAN.
1-4-01.

He may possibly make use of it in his speech as it is I think a little fuller than what was said in the Financial department, and is satisfactory as clearly indicating the intention of the Government of India to make full provision for it in 1901-1902.
