The Secretary to Government,

Educational Department.

Sir,

I have the honour to submit the enclosed copy of a letter from Mr. Kees, Principal of the College of Agriculture, dated 1st instant, in which he requests permission to terminate his furlough on the date on which the College closes for the summer vacation in May next, and to return to duty at the end of the vacation, so that he may draw full pay during the vacation. Mr. Kees' furlough was sanctioned under the old rules, and it is doubtful if the new rules can apply to his case. If he is allowed full pay for the vacation, Mr. Thorne, who is now acting for him, will lose his acting allowance for the period.

I have the honour to be,

Sir,

Your most obedient servant,

Director of Public Instruction.

C/ Messrs. H. S. King and Co.
45. Pall Mall,
London W, 1st March 1901.

The Honourable the Director of Public Instruction,

Madras.

Sir,

I availed myself of two years' furlough on 29th July 1899 and this leave, therefore, expires on 29th July next.

I see from the new furlough rules that educational officers like myself can combine their long vacation with furlough. Will you kindly let me know if the Mad-ras Government will raise any objection to my present furlough terminating on the date in May next when the College of Agriculture closes for the summer vacation and to my spending the summer vacation on full pay in Europe and returning to duty at the end of the summer vacation (some date at commencement of July 1901 - not yet known to me).

I shall be much obliged if you will reply to this at your earliest convenience. Mr. Thorne will no doubt agree to do my duties during the summer vacation.

My telegraphic address is:-

Kees.

care Montarazes

London.

If a wire is sent me saying I can have the long vacation in Europe on full pay, I shall be glad to refund the cost of the telegram. If a wire is sent, might I ask the favour of your including in the message the date of the commencement of the long vacation and the date of its conclusion?

Kindly don't wire if the ~~Government~~ Madras Government raises any objection to my request.

The granting of the request will enable me to add about Rs. 1000 to my income by the sacrifice of two weeks' furlough and will give me the only opportunity, I shall probably have, of deriving any benefit from the new furlough rules.

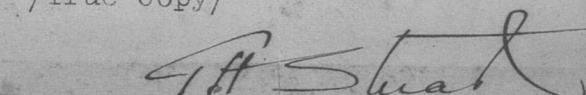

I have &c &c
