To

The Secretary to Government,

Educational Department.

Sir,

Referring to G.O.N o. 523, Educational, dated 19th July 1894, I have the honour to request sanction to the demolition of the police huts at Saidapet transferred to this department and to the sale of the materials by auction. The huts are reported to be in a dangerous condition, and for the reasons stated in the following extracts from Mr. Hall's letter on the subject it is not advisable to spend any money in repairing them:-

"The roof is sinking, the rafters (palmyrah) are decaying and the pillars (junglewood) are falling off one after another. The building is a very old one and the construction is meagre. It is built very low, and is far away from the town. There have been recently cases of theft and house breaking in it during the day time, and students are afraid to live there. It requires extensive repairs, not simply the periodical repairs such as whitewashing &c."

I have the honour to be,

Sir,

Your most obedient servant,

G. H. Stuart

Director of Public Instruction.
