2. Prior, however, to his getting permanent employment, the rules were altered and he is not now able to rise above his present pay except for temporary service for limited periods. He has done very good service and is a very intelligent and hard working man. When I first inspected the Cowtown Sub Division, I found that though the TL clerk, he was doing the whole accounts work of the Sub Division, the head clerk being unfit for the work. He has now been in the accounts branch of the Division for $2\frac{1}{2}$ years and has given every satisfaction. The case is a somewhat hard one and I think that he deserves to be exempted from the rules for posts or pay of from 20-30.

I have the honor to acknowledge the receipt of your letter of the 28th inst. in relation to the above named subject. I have the honor to inform you that the same has been forwarded to the proper authorities for their consideration. I am, Sir, very respectfully,
 Yours very truly,
 J. B. Baperapu
 District Engineer

(4)

4. Afterwards I was favoured with a permanent appointment, which I now hold, on Rs 15-20 grade on 1st February 1895 and exempted from Examination rules for this grade only in G.O. No. 2764 of 5.2.95. Dated 29. Jan. 95. & No. 74 Ed E

5. Thus your honour will kindly observe that with all my hard and satisfactory work for the last so many years I am destined to be in the same grade only, while several of my successors in the Dept. have had promotions with a short service, because the Educational rules were in force debarred me from further promotion, and if your honour were not to be pleased to take up my pitiable case into kind consideration I shall have to be in the same grade throughout my service.

6. I spared no pains in carrying out my work and I believe I might have been in some higher grade by this time as my fellow clerks are having no trouble for the fear which happened to me after entering and serving in the Dept. for nearly 3 years or had I been fortunate to secure this present permanent appointment before June 1894. I further beg to state that I feel very difficult to support my poor family in those hard days with this small pay I earn.

7. As I understand that in the near future, there will be 2 or 3 vacancies in

this circle, of Rs 20-30 grade which is next to my present grade, I humbly and earnestly pray to your gracious honour to be kind enough to recommend my poor case to higher authorities for kind consideration to favour me with a further exemption from Examination rules for this grade and to grant me one of the vacancies and protect my poor family.

8. In conclusion I beg to enclose for your honour's kind perusal, copies of the testimonials favoured to me by the officers under whom I served.

I humbly and respectfully beg to remain,
Most honoured Sir,
Yours Most Obedt. Servt.
