Letter from C. Mildred Esquire, Executive Engineer, Godavari Eastern Division to the Superintending Engineer I Circle No 129 S. of 1st March 1901.

Lock Superintendent T. Muni-swami on Rs 15/- retired from 17th January 1901. Before filling the vacancy, I request your approval to give the Rs 15/- the highest pay of a Lock Superintendent to the Lock Superintendent Dowlaishweram as being the most important Lock in the Delta. The present incumbent M. Seetaramiah deserves the promotion from Rs 12/- although he has only passed the Middle School II Class. If necessary, Government may be requested to exempt him from passing the Matriculation, as required by the rules before he can draw Rs 15/- per mensem. There is no passed Candidate among the Lock Superintendents.

Copy forwarded to the Chief Engineer, Public Works Department, with a request that Sanction of Government to the proposal may be obtained. The man deserves the promotion and I agree with the Executive Engineer that his position as Lock Superintendent of the Head Lock, entitles him to the highest pay obtainable, he has been doing his work excellently, and the passing of the Matriculation Examination would not add to his efficiency as a Superintendent.

The necessary application in the prescribed form is attached.

Copy forwarded to the Chief Engineer Public Works Department with a request that sanction of Government to the proposal may be obtained. He has deserved promotion and I agree with the Executive Engineer that his position as Lock Superintendent of the [illegible] entitles him to the highest pay admissible, he has been doing his work excellently. The passing of the Matriculation examination would not add to his [illegible].

The necessary application in the prescribed form attached.

M. Seetaramaya has been under my orders as gumasta from May up to 15th November 1888 during that period has given me entire satisfaction and gave me no room to find fault with him. His services were dispensed with as he was transferred to C.D., Head Lock. He is able enough to prepare 10 day reports as per instructions contained in the Code.

(Signed) D. Ramanna,
Anicut Superintendent.

31/5/89.

Malladi Seetaramayya served under me as gumasta on the construction of the new Head Lock Central Delta at Bobbarlanka for about 7 months during which period he discharged his duties to my entire satisfaction. He is obedient & hardworking and writes a good hand & can talk English.

(Signed) M.~~S~~P. Narasimha Iyengar,

2nd June 1889.

Overseer in Charge B. Head Lock.

M. Seetaramayya was gumastah under me during the construction of Bobbarlanka Lock, and I afterwards got him a post ~~of~~ as Lock Sperintendent. He knows English well & is in every way deserving of promotion.

(Signed) S.B. Murray,
Asst. Engineer.

13/12/90.

On a petition dated 22-11-91 for promotion.

Forwarded to the Executive Engineer for favourable consideration. He is a steady man, writes well & keeps his Lock in good order. I would suggest that he be transferred to Cocanada canal if possible. He speaks English well and an English speaking Lock Superintendent is rather thrown away on this canal ~~and~~ as no English passengers pass down it.

(Signed) A.G. Ramilly,
Asst. Engineer,
Delta Sub Division.

23-11-91.

M. Seetaramayya Lock Superintendent Madapad Lock was under my orders for a period of 1 year and 2 months while I was incharge of Cocanada canal. He is very intelligent and superior to all other Lock Suptts. He is deserving of promotion.

(Signed) V. Aravamuthu Iyengar,
Delta Superintendent.

17th August 1895.

I know M. Seetaramayya as Lock Suptt. for the last three years and I can therefore say from my experience that he did not get an appointment proportionate to his abilities. He knows survaying and is, as a clerk one of the best. His conduct is very good and I wish to hear his prosperity, which he really deserves.

(Signed) M. Swaminathir,
28-2-96.
Overseer S. Section.

On a petition dated 11-3-97 for promotion.

No. 1200E. Enclos.6.

Forwarded to the Executive Engineer for favourable consideration. The Lock Superintendent has always been looked upon as one of the good men in the Sub Division & I think deserves promotion; I am satisfied with his work.

(Signed) J.M. Parker,

14-3-97.

Asst. Engineer,
Delta Sub Division.

The bearer of this M. Seetaramayya has been working under me as a Lock Suptt. for over 2 years. He was at Maskapalli Lock and during the time he was there he had the superintendence of the sets, a most troublesome and anxoius work. He performed the duties required of him well and very creditably. He had to lock after the planting of Nanal of Kota and Ramudu lankas as also packing revetments in the Maskapalli sets. During the very anxious time in 1896 he rendered much asiistance, in running the temporary diversion at Maskapalli. On the whole his record at Maskapalli was very good and he was transferred to the Head Lock at Dowlaishwaram as being wasted at Maskapalli. He ought to get on as he is intelligent, smart, and painstaking.

SUBJECT.

Exemption from the examination rules.

FOR ORDERS

As to whether the exemption applied for may be granted. It is doubtful whether there is any case for exemption.

P.G.
9/4/01

There is no passed man among the lock superintendents who ~~is available for promotion~~ can be promoted. It seems to be a case in which a passed man would really be less efficient than an unpassed one.

I venture to think the case is not the same as that of putting in an unpassed man at the bottom of the class: that Govt. might well insist on.

The exemption applied for may be sanctioned. A.F.

I think this may be allowed.
