Mappulla Education. SUBJECT

Approving, with remarks, the proposals of the Director of Public Instruction, regarding the abolition of some of the Mappulla schools on the salary result system & the salaries to be paid to the teachers of the remaining schools, & requesting the President, District Board, Malabar, to submit the necessary proposition statement through the Director of Public Instruction for the sanction of Government.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper—

From the Director of Public Instruction, Madras, Ref. on G.No. 14671, dated 6th March 1901.

With reference to paragraph 9 of G.O.No.319 L., dated 21st February 1900, I have the honour to submit the following proposals in regard to Mappilla schools worked on the salary-results system.

2. There are at present 91 Mappilla salary-results schools under the management of the different taluk boards in the district of Malabar, of which 25 are upper primary and the rest lower primary schools. Under G.O.No.530, Educational, dated 24th June 1895, Government pays a contribution of Rs.2,100 towards the upkeep of 14 of the schools under the Malappuram Taluk Board, so that there are 77 schools maintained entirely from local funds. I propose to abolish 41 of these salary-results schools, and, for the present, to retain 50; thirty-five in the Southern and fifteen in the North Mappilla range at convenient centres. This number (50) may be reduced by ten every two years until it comes to 30, which should be retained permanently as model schools.

3. The following scale of salaries recommended by the Inspector

may

may be adopted: (a) large upper primary schools:—

Head master.....	Rs.10
First Assistant.....	8
Second Do.....	6
Quran teacher.....	4
Contingencies.....	1
House rent.....	2
	<u>Rs.31</u>

(b) Ordinary upper primary and large lower primary schools.

Headmaster.....	Rs.8
First Assistant.....	6
Quran teacher.....	4
Contingencies.....	1
House rent.....	2
	<u>Rs.21</u>

(c) Ordinary lower primary schools.

Headmaster.....	Rs.6
Quran teacher.....	4
Contingencies.....	$\frac{1}{2}$
House rent.....	1
	<u>Rs.11½</u>

Of the 50 schools, five may be placed in class (a) 28 in class (b) and 17 in class (c). The proposed expenditure on account of salaries, establishment and contingencies will then be as follows:—

5 in class (a)	= Rs.5 X 31 X 12 = 1,860
28 do. (b)	= 28 X 21 X 12 = 7,056
17 do. (c)	= 17 X 11½ X 12 = 2,346
	<u>11,262</u>

The above expenditure being less than the actuals of the past official year by Rs.124, the local boards can have no objections to the proposals on financial grounds. The teachers may be paid results stipends at 50 per cent of the grants earned at the standard rates, for which a lump provision of Rs.1,500 will suffice.

4. As regards Mappilla results schools, I beg to submit that for the past few years it has not been possible to aid these schools as liberally as they ought to be aided. In 1898-99 results grants to Mappilla schools were paid at the rate of only

9 Annas 10 pies per rupee of earnings and last year this rate had to be reduced still further to 4 Annas 8 pies. This is the reason, the Inspector reports, why so many results schools have been closed. He thinks, and I agree with him, that the results grant system is well adapted to these schools, but ~~that results~~ there can be no improvement -----in Mappilla education unless the earnings of the Mappilla results -----schools are paid in full. The earnings last year amounted to Rs.17,530, while the amount actually paid was only Rs.5,098. In order that the amount earned may in future be fully paid, a special allotment of Rs.18,000 should be made from provincial funds, grants to Mappilla schools in non-municipal areas being a charge on provincial funds (vide article 5 clause (i)(3) of Chapter I of the Grant-in-Aid Code). If Government agrees in this view, the necessary provision will be made in the budget estimate for 1902-1903. The lump provision of Rs.50,000, afterwards reduced to Rs.15,000, under Grants-in-Aid made in the budget estimate for 1901-1902 appears to be intended to improve the proportion of grant paid to all schools, and it will not be possible to spare any portion of it for one class of schools.

5. Mr.Dance, the President of the District Board, Malabar, has been consulted on the matter, but he has no remarks to offer beyond those recorded in G.O.No.319 L., dated 21st February 1900.

From the President, District Board, Malabar, Ref.on C.No.425, L.F., dated 3rd April 1901.

With reference to Memorandum No.269, dated the 20th ultimo, of the Assistant Secretary to Government, herewith returned, I have the honour to submit herewith for the information of Government, a copy of a resolution of the District Board passed at its meeting held on the 30th Idem.
