School of Arts.

Communicating to the Director of Public Instruction and the Accountant-General sanction of the Secretary of State to the appointment of an industrial assistant in the — for a period of three years.

Despatch from His Majesty's Secretary of State for India, to His Excellency the Right Honourable the Governor-General of India in Council, dated India Office, London, 22nd March 1901, No. 40, Public (Educational).

I have considered in Council the letter of your Excellency's Government in the Finance and Commerce Department, No. 35, dated the 31st January last, in which you report the arrangements made in the Madras School of Arts on the vacation of the appointment of Superintendent by Mr. Porterfield, and ask my sanction to the creation of an Assistant Superintendship on Rs. 400 a month, for a period of three years, during which Mr. A. Chatterton of the Engineering College, Madras, is to hold charge of the School of Arts, the appointment of Superintendent being left unfilled during that period.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper:—

From A. WILLIAMS, Esq., Deputy Secretary to the Government of India, Home Department (Education), to the Secretary to the Government of Madras, Educational Department, dated Simla, 30th April 1901, No. 162.

In continuation of the correspondence ending with Home Department letter No. 72, dated 9th February 1901, I am directed to forward, for the information of the Governor in Council, a copy of the despatches noted in the margin, regarding the substitution for three years, as an experimental measure, of an Assistant Superintendship on Rs. 400 a month in the Madras School of Arts in place of the Superintendship.

ENCLOSURES.

DESPATCH from the Government of India, Finance and Commerce Department (Salaries, Establishments, &c.—Education), to His Majesty's Secretary of State for India, dated Calcutta, 31st January 1901, No. 35.

In paragraph 3 of your Lordship's Public (Education) Despatch No. 17, dated the 15th February 1900, in which sanction was accorded to the employment of Mr. A. Chatterton, Professor of Engineering at the College of Engineering, Madras, for a term of three years, in furthering the progress of technical and industrial education in the Madras Presidency, you asked for further information showing the relation in which Mr. Chatterton would stand during his special employment to the Principal of the School of Arts, Madras.

2. This request was duly communicated to the Government of Madras, and we have now the honour to submit, for your Lordship's consideration, certain proposals put forward by that Government from which it will be seen that the question of Mr. Chatterton's relations to the Superintendent of the School of Arts does not now arise.

The present Superintendent of the School vacates his post in February next, and the Government of Madras have decided to leave the appointment unfilled for the present and to place Mr. Chatterton in charge of the institution without prejudice to his special duty.

3. Your Lordship will observe from the Madras Government letter of the 31st October 1900, that under this arrangement, which is to last for a period of three years, the school will have two distinct departments—the Fine Arts and the Industrial—each of which will be in immediate charge of a responsible Assistant under the orders of Mr. Chatterton. The Fine Arts department will be in charge of the present Assistant Superintendent who is a member of the Provincial Educational Service, and the Industrial department will be in charge of a competent subordinate seconded from the Public Works Department, who will receive a salary of Rs. 400 a month. The creation of this appointment has already been sanctioned by the Government of Madras in anticipation of your Lordship's sanction.

4. The proposals of the local Government amount to the substitution for three years, as an experimental measure, of an Assistant Superintendship on Rs. 400 a month in the Madras School of Arts in place of the Superintendship, an appointment in the cadre of the Indian Educational Service, which will be left unfilled during that period.

We recommend the proposals, which are only temporary and of an experimental nature, for your Lordship's sanction.

DESPATCH from His Majesty's Secretary of State for India, to His Excellency the Right Honourable the Governor-General of India in Council, dated India Office, London, 22nd March 1901, No. 40, Public (Educational).

I have considered in Council the letter of your Excellency's Government in the Finance and Commerce Department, No. 35, dated the 31st January last, in which you report the arrangements made in the Madras School of Arts on the vacation of the appointment of Superintendent by Mr. Porterfield, and ask my sanction to the creation of an Assistant Superintendship on Rs. 400 a month, for a period of three years, during which Mr. A. Chatterton of the Engineering College, Madras, is to hold charge of the School of Arts, the appointment of Superintendent being left unfilled during that period.

2. I sanction the appointment as proposed by the Madras Government.
