Sir,

In submitting the enclosed copy of a letter from
from the Government Agent, Godavari, Ref on Pet. No 21/Ag, dated 3rd
April 1901, I have the honour to recommend the continuance of the
concession of ^{the} "reduced" rate of fees granted in G.O. No 22, Edu.,
dated 15th January 1898, for a further period of three years, that
is, till the 31st December 1903, in respect of pupils who are
certified to be unable to pay higher rates, and the introduction
of the favourable rates referred to in paragraph 1 of my letter
No 1344, dated 13th February 1896, in regard to those who can
afford to pay them.

2. The Government Agent has, in anticipation of sanction, direct-
ed the Headmaster, Government Lower Secondary school, Bhadrachalam
to admit pupils at the rates proposed and I approve of his action.

I have the honour to be,

Sir,

Your most obedient servant,

G. H. Stuart

Director of Public Instruction.

Ref on Pet. No 21/Ag of 01.

3rd April 1901.

From

The Government Agent,

Godavari.

To

The Director of Public Instruction,

Madras.

Sir,

I have the honour to state that the concession granted
in G.O. No 22, Educational, dated 15th January 1898 for the levy of
reduced rate of fees in the Government Lower Secondary school at
Bhadrachalam expired on 31st December 1900. As the Agency

Deputy Collector reported that the standard rates of fees would
be levied in the school, I issued orders accordingly, but this
resulted in a material reduction in the strength of the school.

2. You are aware that the "reduced" rates of fees specially
sanctioned to the Bhadrachalam Taluk in the G.O. above quoted, is
half of the "favourable" rates sanctioned for the backward
localities like the agency and the latter ^{are} again 2/3rd of the
standard rates in force in ordinary localities like the plains.

3. It would appear from the remarks made by various education-
al and other officers that this school has been in a flourishing
state and the results of the lower secondary examination have
always been fair. 7 boys appeared for the ~~lower secondary~~
examination last year, and all of them were successful. There
were 93 boys on the rolls at the beginning of the year 1900.

✓ The names of 30 boys had however been struck off in the course
of that year on account of poverty and other causes so that the
number remaining on the rolls in the beginning of January 1901
was only 63. From the detailed enquiries now made it appears
that only 26 of these can afford to pay fees at "favourable"
rates, and the rest are too poor to pay anything above the reduced
rate. As remarked by Mr. Brodie in his letter No 1 Camp, dated
24th December 1897, Bhadrachalam Taluk is not only a backward
locality but exceptionally so, and any substantial increase in
the rates of fees hitherto levied would result in a large falling
off in strength of the school.

4. It is a question for consideration whether both the
favourable and reduced rates should not be levied in the school.
