Ordering the publication in the *Fort St. George Gazette* of a — registered during the first quarter of 1901, and transmitting copies to the Secretary of State and the Government of India.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper:—

From Diwan Bahadur V. KRISHNAMA CHARIAR, Registrar of Books, to the Director of Public Instruction, dated Madras, 22nd May 1901, No. 96.

I have the honour to forward, for submission to Government, the catalogue of the publications of the first quarter of 1901 prepared with some changes in the third column headed title of books as approved by Government in paragraph 2 of its Order No. 192, dated 4th April 1901.

2. The works registered during the quarter are 271 in number; of these, 203 may be classed as "books" and 68 as "periodicals."

3. According to another classification of this collection in the order of their languages, English has contributed 91 works including bi-lingual publications, Tamil 57, Telugu 48, Malayalam 12, Canarese 11, Hindustani 1, and Sanskrit 46, comprising diglot editions, and those printed in the Grandha and Nāgari characters.

4. The most prominent feature of the quarter is the increased output of educational works from the various publishing firms including annotations, summaries and other short cuts to knowledge which at this season of the year are continuously sought after by students, and show that an improvement in numbers has taken place in comparison with the like period of last year and the two years preceding. Religious publications still continue to head the list, their popularity appearing in no way diminished.

5. In the column of remarks are entered, as usual, brief notes on the contents of most of the non-educational works.

6. The works copyrighted during the quarter are 51. The statement containing the extract of entries relating to these 51 publications, whose proprietors have secured their copyright on payment of the prescribed fee, is herewith annexed. This extract includes the Malayalam and Hindustani versions of "Domestic Economy" registered free of charge in the name of Government, besides the Telugu work which appears last in the list though originally delivered for registration during the fourth quarter of 1900.
