STATEMENT OF THE OBJECTS, AND AN APPEAL IN BEHALF OF THE CIVIL ORPHAN ASYLUMS.

THE MADRAS MALE AND FEMALE CIVIL ORPHAN ASYLUMS were founded by Eurasians for relief of the poorer members of the community in the early part of the present century, so far back as 1807, and have therefore, been in operation for over ninety years.

A full statement of the funded capital and financial resources of these Institutions will be found in the Annual Report. Improvements have been introduced into the system of education pursued in each of the Asylums, with a view to increasing their public utility. For the furtherance of this object, these schools are now placed under Government Inspection.

All orphan children *throughout the Presidency* descended from parents either Eurasian or European, not in Military employ, are eligible for admission.

This fact, it may be assumed, is generally known throughout the mofussil from the applications which are made from various stations for the admission of orphans; but the Directors regret that the claim *resulting from this fact*, upon persons residing in the mofussil for some contribution towards the support of these Institutions, does not appear to be so generally recognized.

The Bishop of the Diocese is the President, the Archdeacon is the Vice-President, and the rest of the Clergy of the Church of England are *ex-officio* Patrons of these Institutions. The Directors, therefore, earnestly request the Clergy in the Presidency and mofussil either to make regular periodical collections in their Churches in behalf of the Asylums, or else to circulate this appeal together with the accompanying report among the European and Eurasian residents at their stations, who are particularly invited to come forward and contribute, according to their means, towards the support of Institutions, which provide such efficient relief for the destitute and distressed members of their own community.

Contributions may be remitted to Mr. A. J. REBEIRO, Hony. Treasurer, Kennet's Lane, Egmore, or to THE HONY. SECRETARY Civil Orphan Asylums, Egmore, Madras.

REPORT OF THE MADRAS CIVIL ORPHAN ASYLUMS AND St. MARY'S CHURCH CHARITY SCHOOL, FOR 1900.

The Directors have the pleasure to place before the subscribers and friends of these Institutions a brief report of the operations of the Asylums during the year 1900.

2. MALE ASYLUM.—There were 97 boys on the rolls on the 1st January 1900, and 96 on the 31st December, as per annexed statement.

3. Of the 4 orphans admitted 2 were from Madras and 2 from Coimbatore.

Of the 9 boys admitted into Saint Mary's Church Charity School, 6 came from Madras, 1 from Arkonum, 1 from St. Thomas' Mount, and 1 from Poonamallee.

4. Of the 8 orphans withdrawn during the year, 7 obtained employment, and 1 was removed by relatives. Of the 4 withdrawals from the St. Mary's Church Charity School, 3 were removed by relatives, and 1 obtained employment.

5. FEMALE ASYLUM.—There were 49 girls on the rolls on the 1st January 1900, and the year closed with 46.

6. The two admissions were from Madras.

7. All the withdrawals were by relatives.

Health.

8. The Medical Officer reports that the health of the children was very satisfactory during the year. There were 97 admissions to Hospital against 100 in the previous year; of these 72 were boys and 25 girls against 80 boys and 20 girls in the previous year. There were no deaths during the year.

See Appendix B.

Education.

9. TEACHING STAFF.—There were no changes in the staff of the Male Asylum.

In the Female Asylum, on the recommendation of the Garrison Chaplain, the Directors sanctioned the appointment of an additional teacher. Miss Rector was selected for the post.

The results of the Educational work done during the year by the Male and Female Asylums are contained in the Garrison Chaplain's report, and are far from being satisfactory.

Examinations.

Male and Female Asylums.

10. On the boy's side, the four public Examinations in which they competed, were the Diocesan Prayer Book Examination, the E. and A.—I. Tamil Examination, the Government Primary Examination, and the Government Lower Secondary Examination. Only seven candidates out of sixteen, who by age were eligible were found qualified to compete in the Intermediate Grade of the Prayer Book Examination; these seven obtained their certificates, the highest boy being 26th. In the Elementary grade only seven boys out of thirteen were found qualified to compete; these seven obtained their certificates, the highest boy being 14th. In the Tamil Examination, three of the four failed in class A. Two boys competed in class C, and both obtained money prizes. For the Primary Examination, 10 boys appeared and six passed. For the Lower Secondary, four appeared and one partially passed.

On the girl's side, in the Intermediate Grade of the Prayer Book Examination, eight girls were put under instruction, but four were rejected. Four therefore appeared; they obtained their certificates, but the highest place obtained was only 34th. In the elementary class, all the six sent up passed, and three of them obtained the 1st, 3rd and 10th prizes respectively. In the Tamil Examination for class A, three appeared and two passed. One appeared in class D, and passed. In the Needle work Examination in class A, there were 9 candidates and 8 passes; in class B, 6 candidates and 4 passes; in class C, four failures and no passes; in class D, one candidate who passed. In the Government Technical Examination in Dressmaking, both the candidates in the advanced grade failed; in the Intermediate, there was one pass and three failures. In the elementary, there was one pass and one failure.

In the Primary Examination there were no passes at all. In the Lower Secondary, all four candidates passed the complete Test.

In these circumstances, the Directors have been compelled, with regret, to withhold the prizes for the subjects in which the results were reported to be so very poor.

COMPETITIVE EXAMINATIONS.—Two boys Reginald Hastings Hughes and Edwin James Minchall succeeded in passing the Competitive Examination for entrance into the Warrant Branch of the Subordinate Medical Department and are now prosecuting their studies at the Madras Medical College. Another old boy Michael DeFontaine also passed. The Directors record with regret the death of Charles Gillis, one of the most promising boys that this Institution has turned out. After a very successful school career, he entered the Medical College as a Military Student. He had just completed a little more than a year's course of study when he died.

Two boys, Charles Carlier and William Maiden succeeded in passing the Competitive Examination for entrance into the Government Telegraph Department.

Government Inspection.

11. The Inspector remarks :—

Staff—Quite Efficient.

Dress and Manners—Good.

Discipline and tone—Very Good.

The Inspectress remarks :—

Efficiency.—Good.

Dress { Boys' Fair.
Girls' Very Neat.

Manners Discipline and Tone—Good.

The Director of Public Instruction in reviewing the report of the Inspector remarks as follows :—

MALE ASYLUM.—The general condition and the tone and discipline of the school were satisfactory.

FEMALE ASYLUM.—The Director's review on the report of the Inspectress has not yet been received.

Finance.

12. INCOME.—The amount received in 1900 was less than that received in 1899 by Rupees 1,514 as shown below.

Extraordinary Receipts	...	...	176	2,541
Total Rupees...			24,307	25,821

RECEIPTS.—There was an increase under contributions during the year. About Rs. 500 were received from the public in response to the special appeal. There was an increase in Church collections also in response to the special appeal. (Rs. 96 were received at the end of December but credited in January accounts.) The decrease in Government Grants was due to the non-receipt of Rs. 200 for Teachers' Salaries and Rs. 100 for Clothing.

13. EXPENDITURE.—The outlay in 1900 was less than that in 1899 by Rupees 1,204, as shown in the following table.

DISBURSEMENTS.			1900	1899
Establishment, Educational	...	...	5,897	5,477

Extraordinary Charges	...	...	18	157
Total Rupees...			24,242	25,446

There were slight increases in the cost of diet, and in Teachers' Salaries. The decrease in Secretariat charges is due to the present Secretary not drawing carriage allowance. In 1899 a sum of Rs. 1500 was capitalised. There was no legacy and no investment of funds this year.

14. The average number of children maintained during the year has been 144 against 147 in the preceding year. The monthly cost of maintaining each child including all charges has been Rs. 14-0-6, against Rs. 15-8-6, in 1899.

Directorate.

15. During the year the Directorate lost the services of one of its members. Mr. Chester's death deprived this institution of the benefit of his mature judgment, active interest, and great experience. The Ven'ble, W. W. Elwes was connected with the Directorate for many years, during 7 of which he was *ex-officio* Vice President. Mr. Long, in consequence of failing health was obliged to resign his duties as Honorary Treasurer of the Asylum. Mr. A. J. Rebeiro kindly consented to accept office in his stead.

The Directors desire to record their appreciation of the services rendered by the Garrison Chaplain, Mr. Penny, in all matters connected with the welfare of this institution. His assistance was not confined to religious and educational matters, which the Chaplain directly supervises, but has extended to all questions of

finance and general management. The improved tone in the two schools is mainly due to his personal exertion in this direction.

16. GYMNASIUM.—There were 21 boys learning gymnastics at the beginning of the year, 30 in the Senior Class and 31 in the junior; and at the close of the year, there were 30 seniors and 28 juniors, making a total of 58 boys.

17. CADETS.—There were 21 Cadets at the beginning of the year, and 31 at its close.

18. BAND.—There were 12 boys in the band at the beginning of the year, and the same number at its close.

Conclusion.

19. The Directors tender their best thanks to those donors and subscribers who so generously contributed towards the funds of this Institution. In consequence of the numerous demands on the public the Asylums had not the usual support during the year under report, and the deficit of nearly 800 Rs. under subscriptions at one time at least, threatened the loss of the Government Grant. The special appeals by the Garrison Chaplain to the clergy, and by the Hon. Secretary to the public, supplemented by the help of the Lady Secretary and the Ladies Committee, met with a hearty response towards the close of the year. The Hon. Treasurer now reports that the opening balance at the beginning of 1901 stands at a higher figure than it did in 1900.

Special thanks are due to the following Ladies and Gentlemen:—

The Garrison Chaplain for a Cricket set; Mr. H. C. King for his gift of Cricket materials.

Mrs. Benson for getting up a garden for the girls and for some cakes during Xmas Week; Mrs. Millett for tins of jam, and a treat of cakes and bags of sweets to both Asylums; Mrs. Rowland for gifts of toys, bon-bons and chocolate to both Asylums, at Xmas; Mrs. Thomson for encouraging the girls in stocking knitting by sending knitting needles and balls of cotton; and the Garrison Chaplain for books and pictures.

Mrs. Hope Ross the Lady Secretary for raising subscriptions, for the Annual Xmas and New Year dinners and treats.

(By Order)

J. R. COOMBES,

Hon. Secretary.

APPENDIX A.

THE GARRISON CHAPLAIN'S REPORT.

I have the pleasure to submit the following report of the general working of the Civil Male and Female Asylums for the year 1900. (In the Male Asylum there are six classes with three teachers,—two school masters and one school mistress).—This teaching power is, in the opinion, of the Educational authorities as well as myself, ample and sufficient, so long as it is put forth with judgment and skill, and so long as no single class exceeds twenty in number. I regret to say that the results are not what they ought to have been; and that they have caused me a considerable amount of disappointment. The public examinations, in which the boys compete with those from other schools are the following; THE DIOCESAN PRAYER BOOK EXAMINATION, the E and A—I TAMIL EXAMINATION, the GOVERNMENT PRIMARY EXAMINATION, and the GOVERNMENT LOWER SECONDARY EXAMINATION.)

(THE DIOCESAN PRAYER BOOK EXAMINATION, apart from its value from a religious point of view, is a valuable test of intelligence, method, memory and of English Composition. As far as our boys are concerned it consists of two classes, one for the elder boys over 14 and under 16; and one for those under 14. In the upper class sixteen boys were placed under instruction; but when the time of selection came, it was necessary to reject no less than nine of these as hopeless. Of the seven who were sent in all passed but no prizes were gained. The highest place obtained was 26th. In the elementary class thirteen boys were under instruction; six were rejected as hopeless; and of the seven who were sent in all passed, one boy obtaining the first certificate of merit, being placed 14th.)

(The E and A—I Examination in Tamil consists in a similar way of classes. Four boys were sent in for Class A; one obtained a certificate, and three failed. Two boys were sent in for Class C, and both obtained prizes.

J. Chinnery. ... Rs. 7.
A. Ignatio ... Rs. 5.)

For the PRIMARY EXAMINATION 10 boys appeared and 6 passed. The Primary Class contains 17 boys.

For the LOWER SECONDARY EXAMINATION four boys were sent up; only one passed, and he only partially; for he failed in one of the optional subjects.)

(The religious Examination of the boys was most kindly conducted by the Rev. L. E. Cox and the Rev. E. A. L. Moore. Their reports are subjoined.) I regret to observe that their reports only add to the disappointment I feel at the general result of the year's work.

(In the Female Asylum there are eight classes and five teachers, one being a pupil teacher who helps with the infant class. In the upper class of the Prayer Book Examination eight girls between the ages of 14 and 16 were under instruction; four of these were hopeless from the beginning: Of the four who were sent in all passed but no prizes were obtained. The highest place obtained was 34th. In the elementary class six girls were under instruction; all were sent in; all passed; and three of them obtained prizes (1st, 3rd, and 10th).

In the E and A—I TAMIL EXAMINATION 3 girls were presented for class A; two passed and one failed. One girl was presented for class D, and passed.

In the E. and A—I. NEEDLEWORK EXAMINATION 19 girls were sent up to compete in four classes. In A class (sample stitches) there were 9 candidates and 8 passes. In class B, (patching) there were 6 candidates and 4 passes. In class C, (Darning) our four candidates failed. In class D, (the making of a blouse) we sent up one candidate, and she passed. It is necessary to mention that we have had a specially skilled teacher to teach superior needlework for more than a year past.

In the GOVERNMENT TECHNICAL EXAMINATION in Dress-making there are three grades. In the Advanced Grade 2 girls were sent up and failed. In the intermediate Grade 4 girls were sent

up, and 1 passed. In the elementary grade 2 girls were sent up and 1 passed.

In the PRIMARY EXAMINATION 3 girls were sent up and failed.

In the LOWER SECONDARY EXAMINATION 4 girls were sent up and all passed the complete test.

The religious examination of the girls was most kindly conducted by the Rev. H. C. Parker and the Rev. H. D. Goldsmith, whose reports, are subjoined. These reports show that the girls acquitted themselves well throughout the school.

In all these examinations the teachers are the persons to be praised whenever there is success. Mrs. Berlie deserves credit for passing her girls through the Lower Secondary Examination; and Miss Henegan deserves credit for the success of her pupils in the Prayer Book Examination. The appointment of Miss Rector to superintend the three lowest classes in the school has already been attended with happy results. A good class of little boys has been promoted this term from her class to the Boys' School, from whom we may look for industry perseverance and success in the future.

2. The Chapel services have been conducted throughout the year with the usual brightness, owing—as in former years,—to the kindness of Mr. John Cardis of the Bishop Corrie School, in playing the Harmonium. A handsome addition to the furniture of the chapel was made during the year in the shape of two banners, which cost Rs. 24½. The money was subscribed by the C. F. O. A. Staff, and the elder pupils; and the work was principally done by the Head Mistress.* Two new mats were also purchased from the offertory fund. And the following good works were assisted.

The Madras Industrial School	Rs. 5
Mrs. Firth's Home	Rs. 5
The Prayer Book Examination Fund	Rs. 5
The Additional Clergy Fund	Rs. 5

3. The GARRISON CHAPLAIN, who is the working Vice President of the Directorate, with the power to act in all emergencies, necessarily has a great deal to do besides the supervision of the

religious and secular teaching. Every kind of work connected with the Asylums comes under his eye. I have to thank the Directors for accepting my suggestions during the past year. The Directors are fortunate in their Honorary Secretary, who possesses the true spirit of economic administration knowing when to spend and when to stop. I hope that he may long continue to adorn the post he occupies.

Annual Medical Report of the Civil Orphan Asylums, Madras, for the year 1900.

1. GENERAL HEALTH.—During the past year the health of the School was very satisfactory. The total number of admissions into Hospital was 97 against 100 in the previous year. Of these 72 were boys and 25 girls.

2. DEATHS.—There were no deaths during the year.

3. CONSERVANCY.—The arrangements for conservancy and bathing have been satisfactory.

4. EPIDEMICS.—Mumps prevailed in an epidemic form in the months of February, March & April. There were 39 admissions under this heading.

5. HOSPITAL BUILDINGS.—The building is in need of repair and the doors and windows require repair and repainting.

6. COST OF MEDICINES.—The cost of medicines from the Medical Stores was Rs. 120-2-2.

7. DIET.—There has been no change in the scale of diet, except that ghee has been substituted for gingelly oil since the 7th of December and the food supply was on the whole of good quality.

8. GENERAL REMARKS.—The principal diseases admitted during the year were fevers 17, Mumps 39, Itch 7 and local injuries 16.

9. STAFF.—Hony. Captain and Senior Asst. Surgeon S. C. White was in subordinate charge during the whole of the year. His work is highly commended by the Medical Officers in charge during the year.

10. NURSE.—Mrs. Freeman was the Nurse during the whole of the year. Her work has been pronounced as very satisfactory.

Report on the Examination of Forms iii. ii. and i. of the C. M. O. A. in Religious Knowledge.

Dec., 20th, 1900.

OLD TESTAMENT.—Fairly well known. Remarkable instances were met with of the mispronunciation of such simple names as "Delilah" even amongst the elder boys. H. Dean in Form iii was good.

NEW TESTAMENT.—Not so well known. H. Dean in Form iii was the best.

CATECHISM.—Poor throughout the three forms. Most of the boys failed to repeat the text accurately. Apparently little effort had been made to deduce much teaching from it. With regard to "explanations" the usual tendency to rest satisfied with the substitution of one word or phrase, for another both equally unintelligible to the children, showed itself.

REPITITION.—Was not a success. This may have been due partly to its being taken at the end of the examination when most of

the children were perhaps tired, also partly to the fact that a great deal of this subject was required of them.

The marks are given below.

D.**Report on the Examination of Classes iv. iii. and ii. of the C. M. O. A. in Religious Knowledge.**

I examined the three lower classes in the Civil (Male) Orphan Asylum this morning. The results were as follows:—

In Class IV.—*G. Gibson* was easily first. *S. Browne* second. The average of the class as a whole was 58 per cent. The subject done worst was Catechism, on which the average was as low as 33 per cent. The old and new testament answers were V. fair.

In Class III.—*C. Johnson* was top. *J. Rolfe* second, but only a mark behind. The average here for the whole class was 69 per cent. The repetition very good. Catechism fair. Answers on O. T. moderate, on N. T. bad. Hardly any answers could be extracted on the portion set, in four rounds of questions. It may be that I lighted at random on a part of the subject they had studied less carefully than others. I unfortunately omitted to ascertain this by further questions.

In Class II.—*L. Grubert* was best, tho' it was very hard to choose between him and M. Swan. Both knew their subjects

very well. *L. Grubert* however was best in repetition and Catechism.

This class offered practically the same subjects as Class III, but did much better, getting an average of 77 per cent on the whole Examination. The New Testament was again the subject least well mastered. Only 36 per cent of the questions asked on this subject were answered. The N. T. text book seemed to take in some matters which were a little above the heads of the children of so low a standard.

E.**Report on the Examination of Forms iii, ii, & i, and class iv, of the C. F. O. A. in Religious Knowledge.**

At the request of the Revd. F. Penny, L. L. M. Garrison Chaplain of Fort St. George, I examined Forms iii, ii, i. and class iv of the Civil Female Orphan Asylum, Madras, in Religious knowledge, on the 20th December 1900.

Form III. (five girls), presented as subjects for its examination—The conquest of Palestine, Joshua I—XIII, and the Early Apostolic Days, Acts I—XIII. The Prayer Book Morning and Evening Prayer; the Holy Communion Service; the order for the Burial of the Dead; Catechism. The knowledge displayed by this class in its old and New Testament subjects was very good. My questions, though they extended to difficult details such as the names etc. of the conquered kings, were readily and intelligently answered. As four out of the five girls composing this class had obtained certificates (three Merit, one Pass) in the recent Madras Diocesan Prayer Book Examination, I did not

think it necessary to examine again in this subject. The order of my examination was.

1. Irene Carlier.
2. Florence Lopez.
3. Ida Gibbs.
4. Mary Cruickshanks.
5. Daisy Hall.

Form II. (four girls). Subjects, the same as for Form III.

The answers of this class, too, in the Scripture subjects were good. I examined it, also, in the Prayer Book and Church Catechism, and these appeared to be well known. One of the girls in this class, Daisy Dean, had obtained the first prize in the recent Madras Diocesan Prayer Book Examination in the Elementary Grade. The marks assigned by me gave the following order.

1. Daisy Dean.
2. Elizabeth Rapson.
3. Gertrude Gale.
4. Jane Henderson.

Form I. (three girls). Subjects of Examination. Old Testament stories from p. 79; New Testament stories from p. 137; Memoriter—Psalm LXXV, St. Matthew V. 1-30, Hymns 4, 21, 50, 58, 329, 341; Church Catechism; Morning Prayer to end of 3rd collect. The *memoriter* passages and hymns were correctly and clearly recited. The stories from both the Old and New Testaments were well known and understood. An excellent knowledge was displayed of the Church Catechism and the Prayer Book subject. The order of my Examination was.

1. Theresa Henderson.
2. Florence Francis.
3. Winifred Corbitt.

Class IV. (seven girls). Subjects of Examination the same as for Form I. In two or three instances there was some hesitation in answering my questions on the Scripture stories,

otherwise they were generally familiar and their teaching understood. The *memoriter* passages and hymns were easily repeated throughout the class. The Church Catechism was well known, and intelligent explanations were given of the meanings of words and phrases occurring in it. The order of my examination was

1. Dorothy Reinhardt.
2. Hermina Nelson.
3. Ethel O'Keefe.
4. Sophia Andrews.
5. Eliza Maiden.
6. Daisy Williams.
7. Grace Rapson.

of the whole examination I am glad to be able to say that the four classes of girls that I examined give every evidence of having received careful and systematic instruction in Religious Knowledge.

Report of the Examination of Classes iii. ii. i. and Infant Classes A. and B. of the C. F. O. A. in Religious Knowledge.

It gave me much pleasure to examine Classes III. II. I. Infants B, and A, in Religious Knowledge on Dec. 20th 1900.

In Class III.—consisting of 8 girls.—Mary Jones and May Henderson were so equal that they both deserve a prize. The whole class gained over 86 per cent of the marks given. New Test: Old Test: Catechism, Memoriter, Hymns, were excellent.

In Class II.—Irene Nelson stands first. The percentage of marks was over 87. The subjects of examination were the same as in Class III. There were five girls in this class.

In Class I.—One of the fourteen children was absent. All passed, the lowest gaining 40 per cent., the highest Evelyne Hiscox

gaining the maximum. Hymns, Catechism Old and New Test: stories were the subjects of examination.

Infant Standard B, twelve Children, Merlin Johnson did best gaining 89 p. c.

Infant Standard A.—Thirteen children.—Alfred Crizzle gained the maximum. Joseph Aldridge ran him very close indeed. Only three failed to pass, one of whom had only recently entered the institution and could not be expected to pass any examination.

The subjects were Hymns and Catechism; Standard B, in addition had Old and New Test: Stories.

The Teachers deserve great credit for these excellent results. I congratulate you on the efficiency of the Religious Instruction given in your Schools.
