Extract paragraph 5 from a Despatch from the
Secretary of State No. 61 Public (Educational), dated
3rd May 1901.

I shall be glad to be furnished with a statement
showing for each of the Engineering Colleges in India the
strength and cost of the staff, the attendance of students,
the extent to which the cost of the College is met from
fees, and the results of the working of the College. Such
a statement would be useful for purposes of comparison,
and would tend to promote a uniformity of system which
appears to be desirable.
