The Secretary to Government,
Educational Department.

I have the honour to request the sanction of Government to provide in next year's budget for the entertainment of two additional temporary Telugu Assistants for the practising section of the Teachers' College, Saidapet, on a salary of Rs.20 each per mensem. The strength of the practising section is now 425 or about 70 more than the number on the corresponding date of last year, and of these as many as 61 are Telugu pupils. There are at present only 2 permanent teachers and 8 normal students to teach all the subjects of the 8 classes over which the Telugu pupils are distributed: and of the 8 normal students only two have passed the First Examination in Arts, the rest being Matriculates, who cannot be entrusted with the teaching of the higher forms. The practising section has been growing in strength and popularity on account of the efficiency of the instruction imparted in it and the good results obtained at the public examinations, and it is desirable that the staff should be strengthened.

Sir,

G. H. Street
Director of Public Instruction.
