CHIEF SE
17 MAY
GOVERNMENT OF

To

HIS EXCELLENCY

Sir Arthur Elibank Havelock, G.C.M.G., G.C.I.E.,

GOVERNOR AND PRESIDENT IN COUNCIL,

Fort St. George,

MADRAS.

The humble petition of Saiyid Hussain, *a Government Pensioner.*

Most Respectfully Sheweth,

That your humble petitioner and his brother Ali Dost "Khan Bahadur," deceased, spent a considerable portion of their life in the service of this Government in the Police Department. That they had been faithful and conscientious in the discharge of their duties, in consequence of which munificent pensions were allotted to them. That in consequence of their intelligent discharge of duties, the title of "Khan Bahadur" was conferred on the petitioner's brother and that of "Khan Sahib" on the humble petitioner by this benign Government which is so vigilant to appreciate the merits of duties that the Government of England, no less than the Government of India, will be aware of the degree of confidence that the petitioner's brother acquired by his faithful service, when to him was entrusted the honor of being appointed Life Guard to His Royal Highness the Prince of Wales, Lord Lytton, Lord Ripon, and Lord Dufferin, during their tour in the Madras Presidency.

2 That your Excellency must have also been well aware of the fact that the petitioner's brother had the honor of being appointed, by your Excellency, Agent to Her Highness The Nawab Bagem Sahiba of the Carnatic on a monthly allowance of Rs. 500, in order to manage her business economically; that the Bagem Sahiba having dissented from such an interference of others into her affairs and having appealed to the Supreme Governmeut of Bengal, she succeeded in having this appointment cancelled.

3 That the following is the list of those honorable gentlemen with whom the petitioner's brother had the honor of acquainting himself and who, in consequence of their recognition of him, will certify their opinion in support of his rectitude, trustworthiness, and honesty in the discharge of the work entrusted to him. They are Hon'ble A. T. Arundel, Hon'ble J. Thomson, Mr. H. A. Stuart, Mr. M. Hammick, Mr. H. A. Sim.

4 That your humble petitioner having begun and completed the period of his service in the District of South Arcot, had not much opportunity afforded to him of acquainting himself with such honorable gentlemen. That Hon'ble J. Thomson, under whom the petitioner had the honor of serving a considerably longer period, might have been well aware of full particulars about the petitioner. That the other

gentlemen in whom the petitioner had gained his influence have gone away to England. That from the records of the Inspector-General's Office, connected with the petitioner, an idea can be had of the petitioner's good and faithful discharge of work.

5 That your humble petitioner and his brother are closely connected with the illustrious family of Nawab Chanda Sahib, this Government must have been well aware.

6 That your humble petitioner is in receipt of a monthly Government pension of Rs. 100.

7 That from the date of the demise of the petitioner's brother, who was in receipt of a Government pension of Rs. 150 per mensem, the burden of maintaining his brother's family has devolved upon the petitioner. That the aggregate number of persons the petitioner has consequently to maintain consists of about 40 persons. Add to these difficulties the fact that in consequence of serious ill-health, the petitioner, who is now aged 70, has been obliged to stay at home. That on account of the inadequacy of Rs. 100 to maintain a family of about 40 souls, blended with the fact that a sufficient sum is to be set apart for medical purposes, the petitioner is compelled to stop the studies of his only son Muhammed Safdar Hussain, who is 24 years old and was reading in the Matriculation Class of the Madras Christian College, and of his brother's only son Muhammed Hussain Ali, who is 22 years old and was reading in the Pre-Matriculation Standard of the Christian College.

8 That consequently, the petitioner who, on account of his decrepitude, is, as it were with one leg in the grave fears very much as to what may become the state of this family who hitherto have been quite inexperienced to suffer the pangs of starvation, as there is no other male member in the family who can undertake the responsibility of their maintenance after the petitioner's demise. That an idea of the humiliation of such an illustrious family in consequence of the chill repress of penurity is as repugnant to conscience and equity as it is to mercy.

9 That, therefore, in order to relieve his whole family from the imminent disaster that is staring upon them, the petitioner most humbly solicits for your Excellency the favor that to his children (a son and a nephew) may be extended the privilege that is conferred on the sons of respected families by exempting them from the requisition of passing the Upper Secondary Examination. For thereby they will be enabled to appear to the Special Test Examinations, after passing which they may enter into Government Service and be enabled to keep up that dignity which their family has been hitherto striving to maintain. 11

Once more the petitioner most humbly begs to entrust the care and interest of his whole family to your Excellency, with the humble request that his petition may not become a dead letter to your Excellency's merciful consideration.

For this act of kindness and in remembrance of his whole family being relieved from their most irretrievable distress, the petitioner and his whole family will ever bind themselves gratefully to pray for your Excellency.

My dear Mr. Sim

Your kind D.O. of the 11th instant and its enclosures to hand, which are herewith returned.

The late Ally Dost Khan Bahadoor was a lineal descendant of Mahomed Raza Khan, son of the late Nawab Chunda Saheb of Trichinopoly. Ally Dost Khan's mother and my late father's father were sister and brother. Ally Dost Khan first married my mother-in-law grand daughter of the late Mahomed Ally Wallajah of the Carnatic. She bore him a daughter whom I married. She died when my wife was just 45 days old. He married as his second wife a cousin of my mother-in-laws and had by her two daughters and a son. The eldest of the two daughters was married to one Inaith Hoossain who was in his youth wonderfully smart and intelligent but was about 2 years ago dismissed by the Revenue Board from the post of Income tax Inspector, Madras, on account of certain charges in which he and the late Sea customs Collector's Sheristádár Veerabudra Iyer were implicated.

Ally Dost Khán's second daughter by his second wife is married to his youngest brother's eldest son, Saduk ally referred to in Abbassee Begum sáheba's petition of the 17th January, 1900 and of whom I shall say more later on. Ally Dost Khán's son is about 21 years old but owing to his ill health and other circumstances he has, I hear, made little progress in his studies which he has discontinued since his father's demise.

Ally Dost Khán had two brothers- (1) Saeed Hoossain Khán sáheb and (2) Sujjath Hoossain sáheb, both are retired Police Inspectors on 100 Rs. pension each. The

former has a son [illegible] aged 22 years who was still recently reading in the matriculation class and has discontinued his studies on account of his old father's sickness.

Sujjad Hoossain sáheb has three sons (1) Sáduk ally, (2) Báker ally and (3) Kázim ally. All of them very intelligent and were smart young men of great promise, but being quite regardless of advices they have injured their prospects.

Báker ally (2) was employed for sometime under Messrs. Arbuthnot and Co., Madras and then under Messrs. Simson and Co. and while employed in the latter firm, he was involved in some civil suit and was sent to Her Majesty's Penetentiary at Madras as a civil prisoner for six months. He is now, I hear, employed in Mysore.

Sáduk ally (1) is a graduate. He was also first engaged in the mercantile profession establishing a firm [illegible] and Co, Madras, mainly with the funds supplied to him by one T. Nárráin Ráo B.A a retired Hd: Accountant of the Revenue Board's office. Owing to want of experience and tact, he met with severe reverses in that concern. He was then given a footing in the Abkarry Department of the Board of Revenue by the Honorable J. Thomson a particular friend of Ally Dost Khán who was highly respected by him. Sádick ally is now a Head clerk on Rs 70 in the same Department. As already stated, he has married Ally Dost Khán's daughter. He is very intelligent; but I do not think it advisable that he should be suddenly elevated to the post of a Deputy Collector as prayed for in Akhasser Begum Sáheba's petition of the 17th January last. He has already risen to a decent position and as he shows fitness for further advancement, I am sure the

Board and ~~Sircar~~ Government will be very gladly pleased to recognize his merit and give ~~proper~~ ~~their~~ special consideration to his claims as being the nephew and son-in-law of their most loyal servant that rendered such long and meritorious services to the State. Sadik ally is more closely related through his mother to Mahomed Ally Wallajah of the Carnatic.

Kázim ally (3) like his brothers first joined the mercantile line and failed. He was subsequently appointed, I understand, by Mr. W. J. A. Sullivan, Deputy Inspector General of Police, as Head constable of Pallavaram, which post he still holds.

I have thought it necessary to give the above rather lengthy account of Sujjad Hoossain sáhebs sons as Ally Dost Khán's wife and his brothers are, I hear, living together.

I hear also that Ally Dost Khan left at the time of his death

(a) six houses in Triplicane, fetching a rent of some 40 or 50 Rs monthly for all
(b) a bakery near Peter's garden (rent Rs 30 per mensem)
(c) a small bungalow (monthly rent Rs 12) opposite to the Collector's office, Saidapett.
(d) a small godown at Poonamallee and a garden (ancestral) near Kodumpakam with a few mango trees covering an extent of about 4 or 5 acres.

The provision would be sufficient, were it not for the fact that it is, I hear, found that the debts due by Ally Dost Khán amount to some thousand Rupees and that a good portion of the property has had to be mortgaged or otherwise encumbered therefor.

Thus though the account given in Sáeed Hoossain Khán Sáheb's

MDK

petition of the 6th instant is, I submit candidly, exaggerated, the circumstances of the family of Ally Dost Khán are somewhat straitened so as to render it necessary for Government to extend their benevolent patronage to his relations. I would respectfully recommend that Ally Dost Khán's son Mahomed Hussein Ally and his brother's son Mahomed Sufdur Hoossain be exempted from the Examination rules in compliance with his brother Sáeed Hoossain Khán's prayer contained in his petition above adverted to, as the young men may be enabled to get some footing in Sircár service and live in some comfort supplementing with

with own earnings the poor
income from what may
remain out of the family
property after the debts are
discharged.

I must submit for His Excellency's
information that none of my
relations like me for my
observing certain principles
conducive to my moral and
prosperity in life. They never write
to me.

With my best compliments

Yours sincerely,

Md Raza Khan
