READ—the following paper :—

From Colonel A. W. SMART, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Chepák, 10th February 1901, No. 57 W.

One sketch.

One copy of letter from the Collector of Tanjore, to the Secretary to the Commissioners of Board of Revenue (Land Revenue), dated 13th November 1900, R. Dis. No. 852-Rev., with copy of Board's Proceedings, Mis. No. 3384, dated 26th November 1900, to the Collector.

One copy of letter from the Collector of Tanjore, to the Executive Engineer, Tanjore, dated 13th December 1900, R. Dis. No. 988-Rev.

I have the honour to forward copies of the papers noted in the margin received from the Executive Engineer, Tanjore division, regarding the allotting of the public buildings in the Sivaganga Fort, Tanjore, to several public offices, and to request that you will be so good as to obtain sanction of Government to the allotment proposed, also to the formal transfer of the building to the charge of the Public Works Department.

## ENCLOSURES.

From the Collector of Tanjore, to the Secretary to the Commissioners of Board of Revenue (Land Revenue, dated 13th November 1900, R. Dis. No. 852-Rev.

Under paragraph 2 of G.O., No. 1342, dated 19th July 1861, I have the honour to report that the offices of my Treasury Deputy Collector and of the Divisional-officer, Pattukkottai, have been removed to the new buildings recently constructed at Tanjore, and the old ones in the Sivaganga Fort (in Tanjore), in which those offices were originally located, have consequently become vacant. On applications made for their occupation by the several local officers, who for the present hold their offices in rented buildings, I, after personal inspection and in consultation with the officers, propose to apportion the available space shown in the enclosed sketch as under :—

Name of the Block.

Name of the Officer to whom it is proposed to be given.

|                                                                                                                   |                                                       |
|-------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------|
| Pattukkottai Division office (marked A in the sketch).                                                            | Tanjore Divisional-officer.                           |
| Press office (B in the sketch).                                                                                   | Sub-Registrar of Manambuchavadi.                      |
| English record-room and the stationery room (C in the sketch).                                                    | Inspector of Salt and Abkari Revenue, Tanjore Circle. |
| Forms room (D in the sketch).                                                                                     | Forest Range officer.                                 |
| Rest of the buildings (E in the sketch)—                                                                          | Educational officers—                                 |
| (1) The upper and ground floors of the office building of the treasury with the exception of the stationery room. | (1) Headmaster, Government Training schools.          |
| (2) The strong room and the vernacular record-room.                                                               | (2) Inspector of Schools.                             |
| (3) The present Forest Ranger's room and the Police guard-room.                                                   | (3) Assistant Inspector of Schools.                   |
|                                                                                                                   | (4) Sub-Assistant Inspector of Boys' Schools.         |
|                                                                                                                   | (5) Sub-Assistant Inspector of Girls' Schools.        |

The Educational officers have agreed to settle among themselves what room each is to occupy.

2. In the above arrangement, the Forest Range officer, who was holding a room in the old buildings within the compound of the Treasury office, is to be given the forms room which is outside the compound with a view to locate the Educational offices in a more compact area. The rooms proposed to be given to the Inspector of Salt and Abkari Revenue, Tanjore, may be separated from the rest of the buildings by running a partition wall from the stationery room to a point in the front compound wall, and opening a separate gateway therein, so that the Educational and the Salt offices may not be inconvenienced by their proximity. The course of the proposed wall is marked in the sketch.

|                                                           | RS. |
|-----------------------------------------------------------|-----|
| Tanjore Division office .. .. .                           | 15  |
| Sub-Registrar of Manambuchavadi .. .. .                   | 10  |
| Inspector of Salt and Abkari Rev., Tanjore Circle .. .. . | 5   |
| Government Training school .. .. .                        | 45  |
| Inspector of Schools .. .. .                              | 20  |
| Assistant Inspector of Schools .. .. .                    | 10  |
| Sub-Assistant Inspector of Boys' Schools .. .. .          | 2   |
| Sub-Assistant Inspector of Girls' Schools .. .. .         | 2   |
| Total .. .. .                                             | 109 |

3. The chief advantage, which the proposal involves, is that a suitable place is provided for the Government Training school near the town. It also results in a saving of Rs. 109 to Government in the shape of house-rent as noted in the margin.

I request that the sanction of Government may be obtained for carrying out my proposal.

PROCEEDINGS of the Board of Revenue (Land Revenue), Mis. No. 3384, dated 26th Nov. 1900.

Mr. Herbert Bradley.

Read—letter from the Collector of Tanjore, dated 13th November 1900, R. Dis. No. 852-Rev.

Resolution—Mis. No. 3384, dated 26th November 1900.

The Collect r's attention is invited to paragraph 1 of Standing Order No. 82 (1900 Edition), from which it will be seen that he should formally make over the vacant buildings to the custody of the Public Works Department, which will take the orders of Government as to their future disposal.

2. The Collector may communicate to the Executive Engineer his recommendations for the allotment of the offices now vacated, which the Board presumes will receive every consideration at the hands of that officer.

(True Extract.)

(Signed) L. D. SWAMIKANNU,  
Assistant Secretary.

From the Collector of Tanjore, to the Executive Engineer, Tanjore Division, dated 13th December 1900, R. Dis. No. 988-Rev.

I have the honour to inform you that the Treasury Deputy Collector's office having been removed from the old buildings in the little fort, Tanjore, to the new public office buildings, the former building is now vacant, and I request that you will be good enough to take charge of it. The Pattukkottai Divisional office has also been transferred to the new building, but the building vacated by it in the little fort has now been occupied by the Tanjore Division Deputy Collector's office. It therefore continues to be in charge of the Revenue Department.

2. I have received applications from several public officers, who are at present accommodated in rented buildings, for allotment of rooms in the vacant buildings. I made some proposals to the Board of Revenue under the impression that it is itself competent to obtain the sanction of Government for the disposal of building. But the Board points out that I should formally make over the building to your department, and that your department should obtain orders of Government for allotment of rooms to the officers who have applied for space. My recommendations are contained in the enclosed copy of my letter to the Board. I enclose also a copy of the Board's reply, Mis. No. 3384, dated 26th November 1900.

3. I request you, also, to intimate to me as soon as you have taken charge of the whole building.

ORDER—No. 1693 W., dated 20th June 1901.

The vacant public buildings in the Sivaganga Fort at Tanjore will be allotted to the officers mentioned below for the accommodation of their offices:—

| Name of Block.                                                                                                    | Name of Officer.                                                                                                                                                                                                                                      |
|-------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Press office (B in plan) ... ..                                                                                   | Sub-Registrar of Manambuchavadi.                                                                                                                                                                                                                      |
| English record-room and the stationery room (G in plan).                                                          | Inspector of Salt and Abkari Revenue, Tanjore Circle.                                                                                                                                                                                                 |
| Forms room (D in the plan) ... ..                                                                                 | Forest Range officer.                                                                                                                                                                                                                                 |
| Rest of the buildings (E in plan)—                                                                                | The Inspector of Schools for the accommodation of his office, the Government Training schools, and the offices of the Assistant Inspector of Schools, the Sub-Assistant Inspector of Boys' Schools and the Sub-Assistant Inspector of Girls' Schools. |
| (1) The upper and ground floors of the office building of the treasury with the exception of the stationery room. |                                                                                                                                                                                                                                                       |
| (2) The strong room and the vernacular record-room.                                                               |                                                                                                                                                                                                                                                       |
| (3) The present Forest Ranger's room and the Police guard-room.                                                   |                                                                                                                                                                                                                                                       |

2. The distribution of the rooms allotted to officers of the Educational Department can be settled by the Inspector of Schools.

3. The block marked C in the plan may be altered as proposed by the Collector so as to separate the accommodation provided for the Salt and Abkari Department from that assigned to the Educational Department.
