READ—also the following paper:—

G.O., No. 1247 W., dated 4th May 1901.

Read—the following papers:—

From S. B. MURRAY, Esq., Executive Engineer, Salem division, to the Superintending Engineer, IV Circle, dated 19th November 1900, No. 566-S.E.

I have the honour to state that I have arranged with the post office at Salem to have all my office tappal sent to and received from the post office carried in locked bags as there was a petty case of theft of my papers recently.

2. The post office charges Rs. 12 per year for the trouble and responsibility which this involves, and I request you will be good enough to sanction the charge under the head of "Establishment—Contingencies."

No. 714-W.

Submitted to the Chief Engineer, Public Works Department, for favour of orders.

(Signed) A. H. GARRETT,
30th November 1900. Superintending Engineer, IV Circle.

Memo. No. 4911-C.

The Chief Engineer has the honour to request that the Superintending Engineer, IV Circle, will be good enough to report in detail the circumstances of the case of theft referred to by the Executive Engineer, Salem division.

(Signed) H. E. CLERK,
8th December 1900. Under Secy. to Govt., P.W.D.

From S. B. MURRAY, Esq., Executive Engineer, Salem division, to the Superintending Engineer, IV Circle, dated 12th January 1901, No. 14-S.E.

With reference to your memorandum No. 417-S.L., dated 15th December 1900, I have the honour to inform you that the theft in question was the loss of some office papers.

2. A temporary peon, who has since been dismissed, was given some papers to take to me at Yercaud and was told to call for the tappal at the post office on the way. By some means which the police were unable to discover, most of the office papers disappeared and were subsequently found in a sweetmeat-seller's shop in Salem.

3. I then resolved to adopt the custom which is followed by all Government officers here, viz., to have a locked bag for the conveyance of all papers, etc., between the post office, my office and my house when at head-quarters.

For the extra trouble and responsibility of keeping the key of the tappal bag, the Postal department rules require an annual fee of Rs. 12 and it is for sanction to this that I have applied to you.

No. 40-W.

Copy submitted to the Chief Engineer, Public Works Department, with reference to his memorandum No. 4911-C., dated 8th December 1900.

CALICUT,
19th January 1901.

(Signed) A. H. GARRETT,
Superintending Engineer, IV Circle.

Order—No. 1247 W., dated 4th May 1901.

The expenditure of Rs. 12 incurred by the Executive Engineer, Salem division, in obtaining a window-delivery ticket from the Postal department is sanctioned. The continuance of the system in the Salem division office will depend on the orders which may be issued on the general question as to whether the system should be extended to all important public offices. The papers read above will be transferred to Financial Department for the consideration of this question.
