The Secretary to Government,

Educational Department.

Respected Sir,

I beg most respectfully to submit herewith copies of the various certificates granted to me by the superiors of the Colleges etc wherein I was educated and request you will kindly consider my qualifications stated therein and favour me with a certificate of exemption from Arts Examinations up to B.A. Degree to which I think I am qualified in two following points of view. I commenced my studies at Pondicherry for the rank of priesthood and continued on till Baccalareat or Bachelier equal to B.A. Degree Examination of this University. After having completed my course in French, to get myself qualified in the English language, I went over to St. Joseph's College at Trichinopoly where I prosecuted my studies up to Matriculation Examination. Before however I was able to send in my application fees for Matriculation Examination, I was transferred to the Papal Seminary at Kandy where I received instruction in certain physical and metaphysical sciences together with Logic, Code of Ethics, Jurisprudence and Theology. I possess moreover a pretty fair knowledge in English, French, Latin, Greek and Tamil; with all these qualifications as I was not destined for priesthood, in due submission to the Almighty Will, I have turned my course to worldly life and am prepared heart and soul to serve under the British Government. And I am confident that my character has been properly formed by the various disciplinarians under whom I was educated during the course of about 18 years of my study.

But as I spent nearly the whole of my education in the ecclesiastical Colleges studying for priesthood I was not

able to appear for any University Examination and therefore I request that you will, in consideration of one of the Madras Educational Rules sanctioned by Government in its Order No. 337 dated 6th June 1896, have mercy on me and grant me the exemption applied for. First according to that Rule the Jesuits are granted certain privileges which I request I may be granted as I possess the requisite conditions and qualifications prescribed by the Rule. Please see the copies of the certificates herein enclosed. Secondly by the fact that I went up to B.A. in French which equals B. A. Degree Examination of this University I beg Respected Sir, that you will kindly consider the above reasons in both lines of view and grant me exemption which I am very badly in need of to gain a footing under this Government.

In fine I request that you will, in consideration of my qualifications stated above, certify me that I am ranked at least equal to B. A. Degree Examination if not to the Degree specified in the Madras Educational Rules i.e., to Licentiate in teaching and thus save me from my present state of helplessness.

Begging you will be pleased to favour my humble request,

I beg to remain,

Respected Sir,

Your most obedient servant,

S. Anthoniswamy

[Cno 927] From the D.P. I No 3960 D 3rd. July 1901.

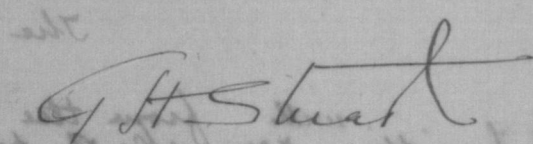

The pet's request is to be exempted from the examination rules to enable him to obtain a footing under this Govt. It may be too much to declare him equal to a graduate of the Madras University but he may be exempted from passing the upper secondary examination and this will enable him to obtain an employment under this Govt.

Submitted that there is no ground for any exceptional treatment in this case.

To
The Secretary to Government,
Educational Department.

Sir,
In returning Government endorsement No. 116, Edl., dated 4th May 1901, on C.Nos. 593 and 603, I have the honour to say that there is no reason why the request of the petitioner, S Anthoniswami, to be treated as equal either to a Licentiate in Teaching or at least to a graduate of this University should be granted. The concessions allowed under article 5, Chapter II of the Educational Rules, quoted in his petition are not applicable to his case.

I have the honour to be,
Sir,
Your most obedient servant

Director of Public Instruction.
