Resolution by the Government of India in the Finance and Commerce Department, No. 1524-Gl., dated the 10th April 1899, prescribing revised rules for the registration, nomination and examination of candidates for admission to the Enrolled List of the Financial Department.

RESOLUTION.—In the schedule of subjects attached to the above Resolution, it is stated that the standard required will, for the compulsory subjects, be that of the B. A. Honour course of the Calcutta University, and for the optional subjects that of the M. A. course of that University, as defined in the Calendar for the year in which the examination is to be held. It has been pointed out to the Government of India that if the examination in these subjects is limited to text-books prescribed by any particular University, it will unduly favour candidates who are graduates of that University. His Excellency the Governor General in Council is accordingly pleased to direct that, while the standards required will continue to be as stated in the schedule, the examination shall not be confined to the text-books prescribed by the Calcutta University for its B. A. Honours and M. A. Degree examinations.

ORDER.—Ordered, that this Resolution be communicated to the Departments of the Government of India, to the several Local Governments and Administrations, with the request that it may be communicated to all heads of colleges and schools, in their respective Provinces, to the Comptroller and Auditor General, and to all Accountants General and Comptrollers, for information.
